Here you can find the relevant operating instructions for every product. Our operating instructions provide information on use, safety, initial start-up, technical data, accessories and disposal information.

Operating manuals | Kärcher International
Knowing why you're having trouble with your Kärcher electric pressure washer can make the difference between an afternoon spent trying to fix the problem and an afternoon spent pressure washing. The simplest of things can keep you from pressure washing, like not making sure there's enough water pressure at the spigot you're using before connecting a garden hose to it.
