Each Clymer manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting, to a complete overhaul of your vehicle. If you're a do-it-yourselfer, then you will find this service and repair manual fantastically more comprehensive than the factory manual. When it comes to repairs and modifications, Kawasaki KLR650 is an indispensable part of the tool box. Get ahold of your copy today, and keep your bike running tomorrow.

Here is a powerful testimony of God's ability to turn around even the most desperate of lives. Going from violent drug addict, prisoner and a thief to a bike-riding, God-filled evangelist, Steve Amos was miraculously taken from the pit of hell. Only a near-death experience convinced him that God was real. 'From the Pit of Hell' tells the true story of a man addicted to drugs, of a God who saved and transformed this life, and continues to change and transform lives today. This book is for teenagers, youth leaders and those who have lost their way. It is also a very helpful resource for those working with youth offenders, with a tremendous impact in prisons and drug rehabilitation centres.
