JCPS offers a standards-based curriculum, designed both to meet the standards of the Kentucky Department of Education (KDE) and to inspire students to engage in learning. Exact courses and syllabuses vary between schools and individual classrooms. Click the blocks below for overviews by subject and county-wide goals.

~~Curriculum | JCPS~~

For example, an elementary school might have curriculum guides for math, science, social studies, and language arts for each grade level from kindergarten up. Within each subject, the guide outlines objectives, or standards, that students are expected to meet by the end of a set time frame, usually the school year.

What 4th Graders Should Learn - Fourth Grade Curriculum Online It is easy to find references and guidelines online while drafting the 4th grade curriculum . While this may be so, it is imperative to customize the curriculum to suit the 4th graders that you will be teaching, based on what they have already learnt in the earlier grades and what their abilities are.
