While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Available Now! Get the Study Guide designed to ensure your success in Financial Accounting! This study guide is a powerful tool for in classroom use and for preparing for exams. Each chapter of the guide includes study objectives, a chapter review consisting of 20-30 key points, and a demonstration problem linked to study objectives in the textbook. Students get accounting when using Kimmel Financial Accounting with WileyPLUS because we make learning accounting easy and accessible for today's different types of learners. Written in a concise, clear, and conversational way, Kimmel Financial Accounting provides just the right amount of information students need to come to class prepared, while powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company. The automatically graded WileyPLUS problem-solving experience imitates a blank sheet of paper with type-ahead for entering account titles, so that students use recall memory when they practice or do homework online. More students get accounting when using Kimmel Financial Accounting with WileyPLUS, because they can Read It, See It, Do It - Get It.

For over ten years, Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been praised by both students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be ' Student Success in Accounting ' and the new fifth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts with examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Weygandt Accounting Principles, Fifth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Fifth Canadian Edition offer additional tools for both instructors and students in order to help students experience success.

In the new sixth edition, readers will be able to clearly see the relevance of accounting in their everyday lives. The authors introduce challenging accounting concepts with examples that are familiar to everyone, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.
