Written by a genuine "Insider," this is the true story of one of the most frightening "invasions" in the history of the church - and the fight to keep it out. Andrew Strom has been part of the Charismatic movement for over 30 years - and was deeply involved in the modern "Prophetic" movement for 11 of those years. He is the founder of RevivalSchool.com and the International REVIVAL List. In this book, Strom traces this mass invasion of false spirits back to 1994, and shows how it culminated in the bizarre events surrounding Todd Bentley and the Lakeland revival in 2008. He then traces it all the way to 2015. What are 'Kundalini' spirits? What are the signs of their presence? And how can such an invasion be turned around? All this and more is discussed in this provocative book. "A 'MUST READ'" - The Voice Magazine. "The church of Jesus Christ does not realize that it has been infiltrated by demonic forces. Discernment has been lost! A book that is beyond needful." - Greg Gordon, SermonIndex. Much additional information is contained in this 2015 UPDATE to the original book.

A MURDERER who would change the WORLD From multi-million copy best-selling novelist Jerry Jenkins comes a compelling international thriller that conveys you from present-day Texas to a dank Roman dungeon in A.D. 67, then down the dusty roads of ancient Israel, Asia, and back to Rome. I, Saul consists of two riveting adventures in one, transporting you between the stories of Augustine Knox and Saul of Tarsus. Filled with political intrigue, romance, and rich historical detail, I, Saul is a thrilling tale of loyal friendships tested by life-or-death quests, set two millennia apart, told by a master storyteller.

INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven. "On January 19, 1996, I woke up at 3:00 in the morning. My body was shaking...I turned my head on the pillow to look in the direction of the sound, and there, all aglow, was a figure dressed in white garments. IT WAS THE LORD..." How could this be happening to me? I wondered...as I began to tremble...and to weep tears of love and joy. "My daughter...I am your Lord, and I want to talk to you. I am going to visit you many times before this work is done." "The impact of His voice, His words, His message hit me with a supernatural force..." Not once not twice but ten times that month, the Lord Jesus appeared by her bedside and spoke to her. Then the journey began.... SHARE Choo's humble narrative, as each heavenly visit prepares her for the next. SENSE the growing wonder of Jesus presence. FEEL the weight of His tender words. JOURNEY through heaven led by the Savior learning His holy thoughts. HEAR the heart-tearing, supernatural words spoken from the throne. DRINK in the Spirit of God. WONDER at the beauty of this revelation of heaven.
