The most complete and up-to-date dictionary of Lakota available, this new edition of Eugene Buechel's classic dictionary contains over thirty thousand entries and will serve asan essential resource for everyone interested in preserving, speaking, and writing the Lakota language today. This new comprehensive edition has been reorganized to follow a standard dictionary format and offers a range of useful features: both Lakota-to-English and English-to-Lakota sections; the grouping of principal parts of verbs; the translation of all examples of Lakota word usage; the syllabification of each entry word, followed by its pronunciation; and a lucid overview of Lakota grammar. This monumental new edition celebrates the vitality of the Lakota language today and will be a valuable resource for students and teachers alike.

This 23,000-word Second Edition of the NLD provides a reliable, accurate, and user-friendly reference text and serves as a central component of the revitalization movement. It is an indispensable resource for advanced language users as well as beginning students of the language and has many innovative features including: Over 40,000 example sentences, usage notes, and collocations; A modern layout that makes it easy to find words and their usage; 3,160 more entries than the first edition of the NLD; A standard orthography that adequately marks all meaningful sounds in the language; All verb entries include conjugation paradigms; Special symbols that mark the 3,000 most important words; Descriptions of word-stems and stem nests. The volume forms the foundation for Lakota and Dakota languages and provides the basis upon which students, teachers, and community members can move forward with confidence in restoring the living language. 2009 Bronze Medal Winner – Reference-IPPY

This is a comprehensive manual intended to teach students the basics of communicating in Swahili at an elementary level. It is designed to teach major communicative skills such as speaking, listening, reading, and writing. Moreover, the text strives to impart fundamental knowledge about East African and Swahili culture.

Jan Ullrich: The Best There Never Was is the first biography of Jan Ullrich, arguably the most naturally talented cyclist of his generation, and also one of the most controversial champions of the Tour de France. In 1997, Jan Ullrich announced himself to the world by obliterating his rivals in the first mountain stage of the Tour de France. So awesome was his display that it sent shockwaves throughout the world of cycling and invited headlines such as L'Équipe's ¶The New Giant¶. He went on to become Germany's first ever Tour winner, storming to victory in that edition by almost ten minutes, a result that was greeted as an era-defining changing of the guard. Everyone agreed: Jan Ullrich was the future of cycling. He was soon also voted Germany's most popular sportserson of all time, and his rivalry with Lance Armstrong defined the most controversial years of the Tour de France. Ullrich was a German national treasure credited with popularizing cycling in his home country. And yet ¶ for all the acres of coverage he received throughout his career, and the interest in Ullrich as the only person who had seemed capable of knocking Armstrong off his perch ¶ the boy from East Germany remained an enigma. Now, Daniel Friebe ¶ who has covered 21 editions of the Tour de France ¶ has gone in search of the man who was said in 1997 would go on to dominate his sport for a generation, but never quite managed it. Just what did happen to the best who never was? This is a gripping account of how unbearable expectation, mental and physical fragility, the effects of a complicated childhood, a morally corrupt sport and one individual ¶ Lance Armstrong ¶ can conspire to reroute destiny. Daniel Friebe takes us from the legacy of East Germany's drugs programme to the pinnacle of pro cycling and asks: what price can you give sporting immortality?

The Little Book of Light Codes contains a series of 52 symbols which are channeled, healing Codes of Light from the Universe, designed to help human beings along on our unique and individual paths. Through the visual assistance of the symbols, your journey to peace and happiness is brought forth in a unique way. These symbols have been developed and given to us at this time to assist in releasing our pain and suffering, while bringing more Love, abundance, and harmony into our Hearts and lives. The symbols in The Little Book of Light Codes offer access to gentle and powerful energies which caninspire healings on all levels of the mental, emotional, physical, and spiritual planes. These channeled symbols are designed to repair DNA, and to offer personal upgrades and activations to the reader as is appropriate for them. The reader is invited to work their way through the book, and open to all the potential healings and wisdoms provided by the Light Codes. Simple exercises and meditations are included, to assist you in utilizing the symbols most effectively while you step further into your Love and Light. Each symbol will resonate with a difficult issue in your life at any given moment. You may find yourself drawn to a particular symbol one day, and feel resistance to it the next, depending upon what energies, stressors, or triggers you are working with in your life. As you work with the messages, wisdom, and frequencies expressed by each symbol, your process with The Little Book of Light Codes will be as personalized and as healing as you choose. The energy frequency each symbol emits and the information each offers are infinite. Simply by looking at a symbol, you will gain the information your soul is seeking in order to perfect itself and reflect Divine Love. As you move through this book, you may experience release, change, and even total transformation in your physical, mental, emotional, or spiritual bodies. Just flow with it! Follow your inner guidance and intuition/and trust the unfolding. The time has come to take back your personal power with the strength and Love you hold within your Heart. Humanity is at a crossroads: heal and ascend, or continue walking through darkness. The Little Book of Light Codes is here to help humanity find Light, find Love, and find the joy and freedom that is our birthright. Everyone has the ability to live the life they choose!but it is up to the individual to make the conscious choice to heal that which no longer serves them in creating the abundant life of their dreams. Everything is possible...and The Little Book of Light Codes can provide a method of re-discovering that which is already known but that has been temporarily forgotten. May these symbols remind you of the innate and infinite Love, Wisdom, and Light that you hold within yourself.
