biological invasions in South Africa, where research has been conducted over more than three decades, and where bold initiatives have been implemented in attempts to control invasions and to reduce their ecological, economic and social effects. It covers a broad range of themes, including history, policy development and

Read Online Life Sciences Grade 11 June Exam 2014

implementation, the status of invasions of animals and plants in terrestrial, marine and freshwater environments, the development of a robust ecological theory around biological invasions, the effectiveness of management interventions, and scenarios for the future. The South African situation stands out

Read Online Life Sciences Grade 11 June Exam 2014

because of the remarkable diversity of the country, and the wide range of problems encountered in its varied ecosystems, which has resulted in a disproportionate investment into both research and management. The South African experience holds many lessons for other parts of the world, and this book should be

Read Online Life Sciences Grade 11 June Exam 2014

of immense value to researchers, students, managers, and policy-makers who deal with biological invasions and ecosystem management and conservation in most other regions.

Read Online Life Sciences Grade 11 June Exam 2014

Today's politicians and political groups devote great attention and care to how their messages are conveyed. From policy debates in Congress to advertising on the campaign trail, they carefully choose which issues to emphasize and how to discuss them in the hope of affecting the opinions and evaluations of their target

Read Online Life Sciences Grade 11 June Exam 2014

audience. This groundbreaking text brings together prominent scholars from political science, communication, and psychology in a tightly focused analysis of both the origins and the real-world impact of framing. Across the chapters, the authors discuss a broad range of contemporary issues, from taxes and health care to

Read Online Life Sciences Grade 11 June Exam 2014

abortion, the death penalty, and the teaching of evolution. The chapters also illustrate the wide-ranging relevance of framing for many different contexts in American politics, including public opinion, the news media, election campaigns, parties, interest groups, Congress, the presidency, and the
