Our protagonist is a Witch, the first witch working for the FBI. Paul has created a parallel United States, where magical beings came out of the shadows long ago. Many of the magical beings now live on reservations...in worse conditions than even the Native Americans. Our hero, Agatha, is a probationary FBI agent after finishing the training at

Having finished the third year at the FBI Academy, Agatha is now a Probi and allocated to the Magical Crimes division of the FBI, all one of it being run by a mundane guy called Jack Dalton. And the first case turns out to be quite a humdinger involving the theft of a movie starlet's necklace under circumstances that indicate the use of magick (not magic).

The Federal Witch Summary. This is the first box set of the series. Imagine a world where witches, weres, and vampires work among us. The paranormals came out to the world during World War I. History as we know it took a left turn as world events changed. World War II never happened as we remember it. The Empire of Japan still exists.
