March: Book Two, the second volume from Congressman John Lewis chronicling his work in the Civil Rights Movement, luckily falls outside this trend (read our review of March: Book One).

~~March: Book Two by John Lewis, Andrew Aydin & Nate Powell ...~~

March is a graphic novel trilogy which tells the story of the Civil Rights Movement from the perspective of John Lewis, a civil rights leader and U.S. congressman. It is a meticulously detailed account. The books are simply named: – Book One (2013) – Book Two (2015) – Book Three (2016) SOME GENERAL REMARKS.

~~March: Book Two: John Lewis, Aydin, Andrew, Powell, Nate ...~~

The book is full of historical figures such as Martin Luther King Jr, the Kennedys' Stokay Carmichael and more as John Lewis becomes a major player and finds himself slowly changing the country. This is a great book, well written and perfectly complimented by the quality artwork. It is the graphic novel as literature and memoir as art.

Written with Andrew Aydin and illustrated by Nate Powell, Congressman John Lewis's award-winning graphic novel chronicles his experiences in the U.S. Civil Rights Movement.

The award-winning, best-selling series returns, as John Lewis' story continues through Freedom Rides and the legendary 1963 March on Washington. Original.

Honors and awards for this book: National Book Award Winner, Young People's Literature, 2016; #1 New York Times and Washington Post Bestseller; First graphic novel to receive a Robert F. Kennedy Book Award; Winner of the Eisner Award; A Coretta Scott King Honor Book; One of YALSA's Outstanding Books for the College Bound; One of Reader's Digest's Graphic Novels Every Grown-Up Should Read.

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents March, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for Swallow Me Whole). March is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book Martin Luther King and the Montgomery Story. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

First you march, then you run. From the #1 bestselling, award-winning team behind March comes the first book in their new, groundbreaking graphic novel series, Run: Book One “Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis’s story has always been a complicated narrative of bravery, loss, and redemption, and Run gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life.” –Stacey Abrams “In sharing my story, it is my hope that a new generation will be inspired by Run to actively participate in the democratic process and help build a more perfect Union here in America.” –Congressman John Lewis To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as “Bloody Sunday.” All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In Run: Book One, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the March trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

A first-hand graphic novel account of the author's lifelong struggle for civil and human rights continues to cover his involvement in Freedom Rides and the 1963 March on Washington.

"Now Top Shelf has teamed up with the Fellowship of Reconciliation to produce the first ever fully-authorized . . . edition[s] of this historic comic book, as a companion to the bestselling graphic novel March: Book One."--Publisher's website.

--WINNER OF THE 2009 EISNER AWARD FOR BEST NEW GRAPHIC NOVEL! --NOMINATED FOR THREE 2009 EISNER AWARDS INCLUDING BEST GN & BEST CARTOONIST! --WINNER OF THE 2008 IGNATZ AWARD FOR "OUTSTANDING DEBUT"! --ONE OF YALSA'S GREAT GRAPHIC NOVELS FOR TEENS"! --FINALIST FOR THE LA TIMES BOOK PRIZE! ----Swallow Me Whole is the first graphic novel since 1992's Maus to be nominated for this prize in any category. --WINNER OF THE 2009 IGNATZ AWARD FOR "OUTSTANDING ARTIST"! "Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK) "Scaldingly dark ... Powell's flowing, impressionistic artwork, with its ravenous expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times "Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise"masterfully done. Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are the same."--Lara McAllister, School Library Journal "Darkly sublime."--Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing. ... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts hope and foreboding."-- Steve Duin, The Oregonian "[Swallow Me Whole] achieves some stunning effects with the art and the lettering ... Powell has a look halfway between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club "Both provocative and thoughtful ... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia ... It's the best graphic novel since Craig Thompson's Blankets."--Chris DeVito, CD Syndicated Swallow Me Whole is a love story carried by rolling fog, terminal illness, hallucination, apophenia, insect armies, secrets held, unshakeable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the clichéd melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed blessing of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal telepathy, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced, delicately drawn, and drenched in shadows, Swallow Me Whole is a landmark achievement for Nate Powell and a suburban ghost story that will haunt readers long after its final pages.

Follows the experiences of a white family from a racist suburb and a black family from Houston's most disadvantaged community who cross color lines to defend five black college students charged with the murder of a policeman.

Named one of the best graphic novels of the year by The AV Club, Comic Book Resources, Complex, and Graphic Novel Reporter! "The most prodigiously talented graphic novelist of his [generation] ... Powell's exceptional visual-storytelling gift transforms a potentially obvious antiwar parable into a ravishingly beautiful, emotionally resonant, thoughtful, and provocative work of art."-- Booklist (starred review) "Vivid and imaginative... The timely, innovative storytelling and captivating artwork should particularly appeal to fans of Craig Thompson's Blankets and David Small's Stitches. Highly recommended for both adults and young adults."-- Library Journal (starred review) "Any Empire by Nate Powell is everything a graphic novel should be, and few are. Spare, to the point dialog, fluid and effortless visual storytelling devoid of pretensions, and a story with characters that stick with you. I very rarely read graphic novels because I usually can't get past the first few pages. but Any Empire drew me in from the start and didn't let up."-- Larry Hama, author of GI Joe comics since 1982 "At times poignant, at at others surreal, Any Empire is an engaging, never preachy work about childhood, centering on those secret currents that define our youthful rivalries and the games we play."-- MTV Geek "We've all experienced the world's endless cycle of innocence shattered, and Powell renders it all in lovely chiaroscuro... he crafts memorable and heartfelt characters that linger in the mind and scar the heart."-- Under the Radar Nate Powell, hailed by the London Times as "a writer-artist of genius,"is back. His new book, Any Empire, is a vivid examination of war and violence, and their trickle-down effects on middle America. First, a group of small-town kids find themselves bound together by geography, boredom, and a string of mysterious turtle mutilations. Years later, with Army tanks rolling through the streets of their hometown, these young adults are forced to confront painful questions of privilege, duty, betrayal, and courage. Any Empire recalls aimless summers of Nancy Drew and GI Joe, treehouses and army surplus stores... but when fantasy starts to bleed into reality, whose mission will be accomplished?

Mark Ravenhill's Faust (Faust is Dead) is a dark and often brutally funny journey through a world of virtual reality The world's most famous philosopher arrives in Los Angeles and is greeted as a star. In a round of chat show appearances, he announces the Death of Man and the End of History. When he meets up with a young man who is on the run from his father, a leading software magnate, they embark on a hedonistic voyage across America. But in the play's bloody conclusion, they discover that not all events are virtual. "In Shopping and Fucking, Mark Ravenhill made theatre relevant to the Thatcher generation. Now he's put videos and Net-surfing in FAUST. And it's no less stunning." (The Guardian)
