 EDN is currently conducting a research project aimed at all professionals working in the documentary sector and related fields. The project entitled "Media and Society: European Documentary in a Changing Media Landscape" will set out a blueprint to secure a sustainable future for the industry. It brings together academics, documentary filmmakers, key documentary organisations, media policy makers and a wide range of media stakeholders.

EDN: Media and Society Initiative
The European Documentary Network and its partners strongly believe that healthy and responsible media that offer reliable information and high-quality entertainment are a cornerstone of a democratic and open-minded society. The public broadcasting system has always played an important role in this process and the important role of
