Manual

Micros systems Restaurant Enterprise 3700 POS Manuals ...
The 3700 system uses client/server architecture to manage the unique information about each restaurant's POS environment. Details about the restaurant's operation reside in tables on a database server, an application that manages the database. The database server in turn resides on the server PC.

Restaurant Enterprise Series
The 3700 Reports Manual is your guide to MICROS 3700 reports. This manual explains how to run reports and provides an example

How to. Micros 3700 - YouTube
There is no other manual or video training series that exists for the Micros POS System! Anywhere! These Micros POS Training videos are one of a kind and are designed specifically for you - the restaurant operator. These videos were created by a Restaurant Manager - not a programmer. Someone who understands the issues you face everyday.
