Trapped underground, how will they escape? Midnight's Lair is a terrifying journey into evil by the highly acclaimed Richard Laymon. Perfect for fans of Stephen King and Dean Koontz. Mordocks's cave is one of the wonders of the world: a place where, every year, thousands of sightseers go deep beneath the earth's surface to marvel at Nature's handiwork. But it's also home to things Nature never intended - violent, evil things. And when a power failure traps a group of tourists underground, the creatures emerge from the darkness... What readers are saying about Midnight's Lair: 'Written with Laymon's usual fast-paced, action packed, no-holds-barred style of writing, you'll find the novel difficult to put down at any point, with the next horrifying event just around the corner' 'This is 253 pages of pure splatterpunk heaven, delivering classic Laymon horror with a no-holds-barred approach and a reflection of his truly twisted imagination. Absolutely great stuff!' 'The pace is frenetic, the characters are both endearing and repulsive, and the gratuitous violence is almost non-stop. Never have I read a book that could leave me slack jawed with horror and something akin to awe'

We are not alone. Some call them devils or demons. But they are real. They are down there. And they are waiting for us to find them. In a cave in the Himalayas, a guide discovers a self-mutilated body with a warning: Satan exists. In the Kalahari Desert, a nun unearths evidence of a proto-human species and a deity called Older-than-Old. In Bosnia, something has been feeding upon the dead in a mass grave. So begins mankind's most shocking realization: the underworld is a vast geological labyrinth populated by another race of beings. With all of Hell's precious resources and territories to be won, a global race ensues. Nations, armies, religions, and industries rush to colonize and exploit the subterranean frontier. A scientific expedition is launched westward to explore beneath the Pacific Ocean floor, both to catalog the riches there and to learn how life could develop in the sunless abyss. But in the dark underground, as humanity falls away from them, the scientists and mercenaries find themselves prey not only to the savage creatures, but also to their own treachery, mutiny, and greed. One thing is certain: Miles inside the earth, evil is very much alive.

First published in 1996, this tale about a mysterious bracelet which allows its wearer to inhabit another person's body has been restored to the late author's original version. HC: Headline (UK).

The notorious Beast House, the scene of brutal murders for almost a century, is a bigger tourist attraction than ever. There's one very speical tour, given only at midnight on Saturday nights, that's intended for the hardcore fans who will do anything to learn the house's hideous secrets. But not everyone will survive it!

All signs point to foul play. Melanie Conway knows something is wrong when she starts having visions again. Her boyfriend, Bodie, wants to help but they are too late. Her father has been in a hit and run accident. Melanie's sister, Penelope, is having problems of her own. She keeps receiving strange calls. Bodie is drawn into the mystery and gets more than he bargained for.

"The Queen of paranormal romance." -USA Today A classic from #1 New York Times bestselling author Christine Feehan, Lair of the Lion is a dark-edged and enthralling take on the beloved "Beauty and the Beast" fairy tale. It is the breathtaking story of a beautiful, penniless aristocrat who promises herself to the handsome, powerful, mysterious, and not wholly human Don Nicolai DeMarco in order to free her imprisoned brother—even though legend has it that the Don will destroy any woman he weds. Perhaps best known for her bestselling "Dark" series, featuring the haunted and mesmerizing immortal Carpathians, Feehan is arguably the biggest name in paranomal historical romance—and any reader who loves passionate love stories tinged with the supernatural should enter the Lair of the Lion.

With nearly 2 million books in print, this Little Apple series is H-O-T, hot. The SECRET is out -- DRON is the series that kids, parents, and teachers are talking about! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

Step aboard the Glory Bus... The Glory Bus is the high-octane spine-chiller from Master of Horror, Richard Laymon. Perfect for fans of Joe Hill and Clive Barker. One moment Pamela is a newly-wed with a loving husband and a comfortable home. The next, she's the prisoner of a killer who has lusted after her since high school. Meanwhile, scaredy-cat Norman has had his car taken over by bad-boy Duke and hitch-hiker Boots. Together the lawless pair take him on a wild journey that looks like it's heading straight for the electric chair. Then the glory bus comes along, with hope of salvation for all. But the people who climb aboard don't know their destination is the furnace heat of the Mojave Desert, where a special welcome awaits them. It can't be worse than what's gone before - can it? What readers are saying about The Glory Bus: 'I read it in one day; I just couldn't put it down. It's action packed from the beginning to the end, full of twists and turns and keeps the reader hooked' 'Extremely addictive, I read the book in two days, the author's writing is unique and absorbing, and the characters are raw, edgy and totally bonkers' 'Dark, gritty book with two stories that intertwine... classic Laymon, and a brilliant story that keeps you turning [the pages]'

"After eleven-year-old Ollie's school bus mysteriously breaks down on a field trip, she has to take a trip through scary woods, and must use all of her wits to survive. She must stick to small spaces"--

One eventful night will change the lives of three friends forever... The Travelling Vampire Show is one of Richard Laymon's best-loved masterpieces - an evocative, nostalgic trip back to a time when innocence comes face to face with life's darker forces. Perfect for fans of Stephen King and Dean Koontz. 'This gloriously inventive piece is probably Laymon's best book yet... The prose here is rich and inventive, the atmosphere and scene-setting handled with real aplomb' - News International It's a hot August morning in 1963. All over the rural town of Grandville, tacked to power poles and trees, taped to store windows, flyers have appeared announcing the one-night-only performance of The Travelling Vampire Show. The promised highlight of the show is the gorgeous Valeria, the only living vampire in captivity. For three local teenagers, two boys and a girl, this is a show they can't miss. Even though the flyers say no one under eighteen will be admitted, they're determined to find a way. What follows is a story of friendship and courage, temptation and terror, when three friends go where they shouldn't go, and find much more than they ever expected. What readers are saying about The Travelling Vampire Show: 'The final scenes are filled with excitement and were enough to keep me awake until I'd finished the story - I don't think I could have put it down until I'd found out what happened and what was going on!' 'Just when you think that you have the storyline figured out, it twists and hurtles into a surprise ending' 'Expertly written, great dialogue, keeps you engrossed to the end'
