student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. This spiral full-color supplement to Milady Standard Esthetics: Advanced can be used in conjunction with the textbook or on its own to brush up on key procedures. Each step is clearly explained and is accompanied by full-color photos. At the end of each chapter you will find a rubric, to note, organize and interpret data gathered from observations of student or professional performance. The Step-By-Step Procedures has been updated to match the contents of Milady Standard Esthetics: Advanced, 2e. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art

of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

the beauty and wellness educator. The text presents educators with the teaching skills and educational judgments necessary to become an effective and successful instructor. The content in Master Educator is designed for flexibility, being used in programs ranging from a basic overview of instructor training to programs that require more advanced teaching techniques. Presented in a conversational, easy-to-understand style, it uses many pedagogical features to emphasize important information and powerful teaching techniques. Master Educator serves the future instructor as a valuable, fundamental learning tool, and the seasoned instructor with the strategies needed to adapt to the changing landscape of classroom learning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady Standard Razor Cutting is a resource for students who are interested in practicing this precision-based razor cutting method, recognized worldwide. Celebrity stylist, Nick Arrojo, takes students from the basic fundamentals of razoring to mastering three razor haircuts that give them the opportunity to implement the core skills of this effective and artistic cutting technique. This text will help give students the tools they need, including a level of comfort with this style of cutting, that will help them create fashionable, low-maintenance, modern hairstyles that their clients will love. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The first edition of Milady's Master Educator revolutionized Teacher Training in the field of cosmetology and changed the future of the beauty industry. The revised 2008 edition will do

The Complete Spa Book for Massage Therapists is specifically for massage therapy students who want to succeed in the spa industry, whether as an employee or an owner of their own spa. It is the only book that includes extensive information about real-world working conditions in actual spas, with an enormous amount of feedback from working spa directors and owners regarding what they are looking for in employees. Beyond giving explanations and step-by-step instructions regarding a wide range of spa modalities, the book offers an in-depth look at topics that many other resources do not cover.
