Build a brand that customers love with a proven strategy from one of today ' s top advertising executives Your brand can no longer succeed through targeted adverting and clever messaging. You need to see customers as people rather than just sources of income. This begins with you not only understanding their needs but also sympathizing with their values—and actually doing something about it. In this eye-opening guide, leading advertising executive and industry disruptor Jeff Rosenblum draws on his 25+ years of experience to deliver a plan for building a breakthrough brand by empowering instead of interrupting. Exponential reveals: The neuroscience and behavioral psychology behind building brands through emotional and functional storytelling Hands-on tactics that can strengthen your brand through empathy and empowerment How to use culture and collaboration to understand your
