A summary of the introductory chapter to the book, with commentary and critique by Michael Soth © 2015. I have been using Martha Stark's book "Modes of Therapeutic Action" for some time as one of the main texts for exploring the fundamental ideas and principles of the relational movement. The terms 'one-person', 'one-and-a-half-person' and 'two-person' psychology psychology have now become common currency amongst therapists, indicating that they have useful and almost revelatory ...
