Seatbelts, everyone! Ms. Frizzle's class learns all about the role of technology on farms!

In Simple Machines: Wheel and Axle, young learners in grades 1 – 3 will explore why the wheel and axle might just be the MVP of simple machines. This 24-page title uses real-world examples of simple machine mechanisms and explains how these feats of engineering can make daily work less difficult to complete. The Simple Machines series for grades 1 – 3 explains how basic mechanical devices, that are used for applying a force, can help make daily tasks much easier. Featuring before- and after-reading activities, a glossary, an index, and comprehension questions, this series helps young learners strengthen their reading comprehension skills while also introducing them to some of the most commonly used simple machines

It races through mud. It glides through the air. This monster truck is on the move! What makes monster trucks different from other trucks? And what kinds of cool tricks can these trucks do? Read this book to find out! Learn all about mighty machines in the Vroom-Vroom series—part of the Lightning Bolt Books™ collection. With high-energy designs, exciting photos, and fun text, Lightning Bolt Books™ bring nonfiction topics to life!

Modified pickup trucks, or monster trucks, offer drivers an adrenaline rush and audiences action-packed shows. They race around rugged tracks and crush regular cars beneath their oversize tires. Readers should prepare for a monster truck rally inside.

This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! Seatbelts, everyone! The Magic School Bus is back and ready to ride again. Professor Frizzle's kid sister Fiona might be the new teacher at Walkerville Elementary, but she's got the same old motto: take chances, make mistakes, and get messy! She decides to take the class camping, but come night fall their tent grounds are pitch black. But Arnold's been watching a ton of scary movies and has been having trouble going to sleep at night. What will Arnold do without a night light? The class thinks fast and learns a ton about renewable energy.

To celebrate its 20th anniversary, Scholastic is re-releasing the ten original Magic School Bus titles in paperback. With updated scientific information, the bestselling science series ever is back! On a most sense-sational trip that takes them through an eye, an ear, a tongue, and even a dog's nose, Ms. Frizzle's class learns about the senses. Using their trademark sense of humor, Joanna Cole and Bruce Degen provide facts about the senses in both the human and animal worlds.

Representing the perspectives of educators in both the science and mathematics communities, this publication is intended to serve as a resource for teachers of students in kindergarten through grade 12 in choosing science- and mathematics-related literature for their schools and classrooms. It contains over 1,000 annotated entries on the physical sciences, earth sciences, life sciences, and mathematics. Formatted for easy use, each entry provides information on the author, publisher and publication date, type of literature, subject emphasis, suggested grade span, and illustrations.

Carefully leveled text and fresh, vibrant photos engage young readers in learning about the incredible machines known as monster trucks. Age-appropriate critical thinking questions and a photo glossary help build nonfiction learning skills.

Monster trucks are huge and strong. How do their tires help them bounce? And how do people drive these giant vehicles? Find out how monster trucks soar over tall jumps and crush puny cars under their enormous tires.

A monster truck rolls over a car and crunches it under its huge wheels. Monster trucks are giant pickup trucks that can race around a track. Kids will roar with excitement as monster trucks dominate this book's pages.
