A series of responsive prayers written for use in communal worship, and based on the books of Proverbs.

Lex Luger, wrestling megasensation and three-time world heavyweight champion, ruled the ring for years as "The Total Package." Whether he was making a dramatic entrance from a helicopter, defeating champ Hulk Hogan, or sculpting a near-perfect physique, Lex was on top of his game. Yet backstage, he was wrestling with addictions to sex, drugs, and alcohol—things he clung to even when his mistress died suddenly of a drug overdose and Lex went to jail. There, Lex faced the truth: he was losing the fight for his life.

And still awaiting him was his most brutal opponent yet, when the wrestling champ found himself helplessly paralyzed from the neck down. In *Wrestling with the Devil*, Lex Luger reveals never-before-told stories from his career, his struggle with personal demons, and how, through unexpected faith, grace, and redemption, he overcame all odds to fight the only battle that really matters.

outcomes of lying, he or she can be influenced to disclose sensitive information that's being withheld. The aim is to encourage the person to remain in short-term thinking mode, shifting focus away from the long-term ramifications of telling the truth. As former CIA agents and bestselling authors of *Spy the Lie*, Philip Houston, Mike Floyd, and Susan Carnicero are among the world's best at detecting deceptive behavior and eliciting the truth from even the most accomplished liars. *Get the Truth* is a step-by-step guide that empowers readers to elicit the truth from others. It also chronicles the fascinating story of how the authors used a methodology Houston developed to elicit the truth in the counterterrorism and criminal investigation realms, and how these techniques can be applied to our daily lives. Using thrilling anecdotes from their careers in counterintelligence, and

with easy-to-follow instructions, the authors provide a foolproof means of getting absolutely anybody to give an honest answer. Get the Truth is the easy and effective way to learn how to get the truth every time.
