'Tantalizing clue' marks end of Amelia Earhart expedition

That wasn't Earhart's only brave moment. Born in Kansas on July 24, 1897, she volunteered during World War I starting in 1917, treating wounded Canadian soldiers returning from the European battlefields. Nearby were pilot practice fields, where she discovered her passion for flying. After taking her first flight in 1920, she started working odd jobs to pay for flying lessons.

Amelia Earhart - National Geographic Kids

Amelia Earhart is born in Atchison, Kansas. Back then girls usually wore dresses, but Earhart's mother lets her wear pants so she can play like the boys. Amelia loves football and fishing. 1920

Describes the life and legacy of the air pilot who disappeared over the Pacific Ocean in 1937 while on a flight around the world.

Amelia Earhart is one of the first of many National Geographic Readers that highlight important historical figures. This Level 1 Reader brings an understanding of Amelia Earhart's historical significance to a whole new audience. Young readers will learn about the fascinating life and legacy of this pioneering pilot and adventurer, whose disappearance over the Pacific in 1937 has intrigued audiences for decades (Level 1).

A biography of Amelia Earhart for young readers.

Amelia Earhart is a famous woman pilot. She is about to set off on the most dangerous flight ever attempted. . . . Stunning DK photographs combine with lively illustrations and engaging, age-appropriate stories in Eyewitness Readers, a multi-level reading programme guaranteed to capture children's interest while developing their reading skills and general knowledge.

In 1937, Amelia Earhart vanished while trying to become the first woman to fly around the globe. Today, experts search for clues to what happened-- but Earhart's legacy as a pioneering woman pilot is greater than the mystery surrounding her disappearance. You may know Amelia Earhart as one of history's most beloved aviators, but did you know she grew up playing football and studied automobile-engine repair? This clear and concise picture book biography with bright, colorful illustrations follows brave Amelia throughout her inspiring lifetime. From her first plane ride, on Christmas Day in 1920, to her famous flight across the Atlantic Ocean in 1928, Amelia's life took on new purpose when she discovered her love of flying. She later became the first person to fly alone across both the Atlantic and Pacific oceans, and had many other adventures that brought her to places like Hawaii and Mexico. In 1937, Amelia vanished while attempting to fly around the world. Her mysterious disappearance and incredible life story have fascinated the world ever since. This entry in Adler's well-known series includes a timeline, author's note, and bibliography. Repackaged paperback edition has an updated cover. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history, or who need reliable sources for school book reports.

Amelia Earhart is a legend in the field of aviation, and no accomplishment of hers is more acclaimed than her unparalleled 1932 solo flight across the Atlantic. As only the second person—and the first woman—to achieve such a feat, Amelia Earhart earned a place in the history books, and award-winning author Robert Burleigh has captured every nuance of her remarkable journey in this detailed picture book that is full of action and edge. Readers will be thrilled with the adventure and drama in this nonfiction account—and Wendell Minor's vivid paintings will make them feel as if they're along for the ride.

Amelia Earhart is one of the first of many National Geographic Readers that highlight important historical figures. This Level 1 Reader brings an understanding of Amelia Earhart's historical significance to a whole new audience. Young readers will learn about the fascinating life and legacy of this pioneering pilot and adventurer, whose disappearance over the Pacific in 1937 has intrigued audiences for decades (Level 1).

Profiles Amelia Earhart, who was the first woman to fly solo across the Atlantic Ocean and who disappeared during her attempt to become the first woman to fly around the world.

Introduces the life and legacy of one of the first female air pilots, a pioneer who disappeared over the Pacific Ocean in 1937 while on a flight around the world.
