The Nauti Boys sequence started in the year 2007 with Nauti Boy. In 2012, Lora Leigh might whirl the Nauti Boys series served by a Nauti Girls sequence, commencing with Nauti Tempress. The books are specific tales and thus could be read in a different order.

Nauti-Boys & Nauti-Girls—Book Series In Order

With Nauti Tempress, it seemed as though she sat down with an idea and just started writing, not really sure where she was going with the story and ended up with the final result. There were some significant errors in the book that should have been caught by the editor and for the price, it irritates me that the book is released without near perfection as the end product.

Lora Leigh is a #1 New York Times–bestselling romance author known for the Breeds series and the Nauti Boys series. Most days, she can be found in front of her computer weaving daydreams while sipping the ambrosia of the gods, also...

The Mackay cousins—Natches, Rowdy, and Dawg—would do anything for family, so when former DHS agent Timothy Cranston drops off four sisters that Dawg never knew he had, there is no question: The cousins will protect and care for the girls, and their mother, because they're family. Five years later, Eve Mackay, the eldest sister, has graduated from college and settled in to life as a Mackay in Pulaski County, Kentucky. She works hard as a cocktail waitress and helps out at the bed-and-breakfast that Dawg bought for her mother. If she keeps herself busy enough, maybe she'll be able to stay away from the man she promised Dawg she wouldn't date, the man who has awakened her most ravenous fantasies... He's Brogan Campbell, a biker rumored to be a traitor and a thief. But he's just playing a part; he came to Kentucky for a DHS mission that no one, except Cranston, is supposed to know about. Eve is the key to the whole operation, and his orders are to get her participation. But his need for Eve has nothing to do with stolen secrets and the safety of the country... When Dawg took in Eve and her sisters, he warned them that if they ever lied, cheated, or betrayed the family, they risked losing everything. But desire and danger are locked in an inescapable embrace, and Eve has to make her choice between family or Brogan, for better or worse...

When Dawg Mackay made his four half-sisters part of his family, he vowed that he would care for and protect them with everything he had. But what happens now that the girls are all grown up? The Mackay girls are on the loose, and Somerset County will never be the same... Lyrica Mackay has wanted tall, handsome Marine Graham Brock for as long as she can remember. Unfortunately, Graham only sees her as his friend Dawg Mackay's "baby sister." Or so she believes. The truth is, the fiery party girl stirs something in Graham no female ever has. But Graham, like everyone in Somerset County, knows that trouble stalks the Mackays like bears track honey, and when a Mackay runs as hot as Lyrica does, someone's bound to get burned. Then Graham discovers that Lyrica's wild side is just a cover for a frightened and vulnerable woman who needs something true and genuine, something only Graham can offer. But surrendering his heart to Lyrica exposes them both to her shocking past—and a sinister secret that, once exposed, could destroy their only chance at happiness and shake the Mackay family to its core.

Sheriff Zeke Mayes is prepared for a long struggle getting Rogue Walker to drop her defenses-and give in to desire. But soon Zeke will become embroiled in a deadly game that sweeps Rogue up in its wake. And when everything is a matter of life and death, there is no reason to hold back...

Zoey Mackay is as tough and savvy as anyone. But when an unknown assailant slips her a psychoactive drug, she descends into a literal nightmare of violence and blood. And even after she wakes, the horror haunts her, spurring her to learn how to defend herself. But her defense may not be enough for a different kind of opponent. Enigmatic Homeland Security honcho Chatham Bromleigh Doogan is a man with power and the will to use it. When he rescues Zoey from the depths of her drug-induced delirium, he swears to find the bastards who almost destroyed her spirit and make them pay. But when the shadowy threat returns, will Zoey and Doogan have the strength to hold onto each other and survive the coming storm?

First there was Nauti and Wild. Now, New York Times bestselling authors Lora Leigh and Jaci Burton go one step further. Can you take it? #1 New York Times bestselling author Lora Leigh returns to the relentlessly scorching backdrop of her Nauti Boys series with an all-new novella of a man—bad to the bone—and the one woman who knew he was trouble. That's why she couldn't let him go. New York Times bestselling author Jaci Burton once again blisters the asphalt with an all-new novella in her Wild Riders series. A hot biker craves a life of passion and danger—and finds it with the woman he's sworn to protect.

First in a trilogy that crosses the boundaries of erotic fiction-from the bestselling author of Megan's Mark. Too weak to resist young Kelly Benton's attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now he's back home and ready to engage in the kind of erotic games that have earned him and his two cousins a Nauti-boy reputation in three counties. Once it was Kelly's dream too-to feel the heat of the boy she desired. But an attack from a stalker still on the prowl has left Kelly terrified of a man's touch. Now as fear and desire converge, Rowdy fights to save her from the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine.

Readers thought the boys were bad?but wait until they get a peek at the wild desires of the girls. #1 New York Times bestselling author Lora Leigh delivers the third book in the Nauti Girls series, taking the sexy adventures of the Mackay cousins to the limit?and beyond?with her "electrically charged, erotic, and just a sinfully good" (Joyfully Reviewed) talents.

Janey Mackay is fearful of men, so Major Alex Jansen must take it slow in order to win her trust and her heart, but when sinister notes start to appear, Alex must protect his one true love from harm.

Lora Leigh does it—in the lair of a strange breed, part man, part wolf, on the hunt for the woman he craves—and needs—to fulfill a hunger clawing at him from within. Angela Knight does it—in the psychic realm of a woman attuned to the touch of strangers—and the powerful temptations of a seductive and mysterious protector. Emma Holly does it—in the fantastic Demon World where a powerful Queen rules—until she commits the sin of falling in love with the handsome son of her worst enemy. Diane Whiteside does it—in an alternate universe of Regency magic where two lovers are threatened by a vicious mage, and swept up in a turbulent war off the Cornish cliffs.

Presents two stories in which passionate women throw caution to the wind in their quest to win the hearts of powerful and dangerous men.
