No-No Boy is a 1957 novel, and the only novel published by the Japanese American writer John Okada. It tells the story of a Japanese-American in the aftermath of the internment of Japanese Americans during World War II.

No-No Boy - Wikipedia

No-No Boy is a novel written by John Okada in 1957. No-No Boy is about Ichiro Okada, a Seattle-born man of Japanese descent, returning to Seattle, his hometown, after being imprisoned during World War II for not denouncing the emperor of Japan and refusing to report for U.S. military duty.

Amazon.com: No-No Boy (Classics of Asian American ...

No-No Boy was searingly wrong for its time: in 1956 John Okada wrote a novel about a Japanese American man who went to prison instead of fighting for a country that had sent his family to an internment camp. It was a time when white readers weren't ready to read the truth, and when Japanese-Americans were trying to move on.

No-No Boy, John Okada's only published novel, centers on a Japanese American who refuses to fight for the country that incarcerated him and his people in World War II and, upon release from federal prison after the war, is cast out by his divided community. In 1957, the novel faced a similar rejection until it was rediscovered and reissued in 1976 to become a celebrated classic of American literature. As a result of Okada's untimely death at age forty-seven, the author's life and other works have remained obscure. This compelling collection offers the first full-length examination of Okada's development as an artist, placing recently discovered writing by Okada alongside essays that reassess his lasting legacy. Meticulously researched biographical details, insight from friends and relatives, and a trove of intimate photographs illuminate Okada's early life in Seattle, military service, and careers as a public librarian and a technical writer in the aerospace industry. This volume is an

essential companion to No-No Boy.

Three voices. Three acts of defiance. One mass injustice. The story of camp as you've never seen it before. Japanese Americans complied when evicted from their homes in World War II -- but many refused to submit to imprisonment in American concentration camps without a fight. In this groundbreaking graphic novel, meet JIM AKUTSU, the inspiration for John Okada's No-No Boy, who refuses to be drafted from the camp at Minidoka when classified as a non-citizen, an enemy alien; HIROSHI KASHIWAGI, who resists government pressure to sign a loyalty oath at Tule Lake, but yields to family pressure to renounce his U.S. citizenship; and MITSUYE ENDO, a reluctant recruit to a lawsuit contesting her imprisonment, who refuses a chance to leave the camp at Topaz so that her case could reach the U.S. Supreme Court. Based upon painstaking research, *We Hereby Refuse* presents an original vision of America's past with disturbing links to the American present.

The first Japanese American novel: a powerful, radical testament to the experiences of Japanese American draft resisters in the wake of World War II. A Penguin Classic. After their forcible relocation to internment camps during World War II, Japanese Americans were expected to go on with their lives as though nothing had happened, assimilating as well as they could in a changed America. But some men resisted. They became known as "no-no boys," for twice having answered no on a compulsory government survey asking whether they were willing to serve in the U.S. armed forces and to swear allegiance to the United States. *No-No Boy* tells the story of one such draft resister, Ichiro Yamada, whose refusal to comply with the U.S. government earns him two years in prison and the disapproval of his family and community in Seattle. A touchstone of the immigrant experience in America, it dispels the "model minority" myth and asks pointed questions about assimilation, identity, and loyalty. Celebrate Asian American and Pacific Islander (AAPI) Heritage Month with these three other Penguin Classics: *America Is in the Heart* by Carlos Bulosan (9780143134039) *East Goes West* by Younghill Kang (9780143134305) *The Hanging on Union Square* by H. T. Tsiang (9780143134022)

The acclaimed novel of Jewish immigrant life on New York City's Lower East Side from the literary phenomenon known as the "Cinderella of the Tenements." It is Manhattan in the 1920s, and the Polish American Smolinsky family struggles to survive in their home on Hester Street. At ten years old, Sara, the youngest daughter, is keenly aware of the family's precarious financial situation. With food scarce, her unemployed and domineering father, a rabbi who spends his days studying, depends on the wages of his daughters. After years of watching him destroy the hopes and dreams of her three older sisters, Sara runs away, but forging a life for herself is not easy. She faces obstacles due to her background and gender, while working long days in a laundry and studying to become a teacher at night. Constantly rising above her circumstances—and her father's grasping reach—Sara finally finds happiness and love. Written in 1925 by Jewish American novelist Anzia Yezierska, *Bread Givers* describes "the emotional tone of an immigrant family in the dismal tenement of an overcrowded block of the east side of New York. It is a complex mood of grave joy and bottomless anguish, of Old World standards and New World values of hope and struggle and defeat and achievement" (*The New York Times*). "Paints real trials—and triumph—of immigrant women . . . The story of Sara's lonely struggles in an unforgiving world is a classic one. More than eight decades

since its publication, this novel is a gem in Jewish-American literature. ” —The Pittsburgh Jewish Chronicle

How can art, how can prose and poetry originate in spite of the restraints of manipulation, propaganda, and censorship? This study explores such issues by focusing on the cultural trajectory of Japanese American internment, both during and after World War II. Previously unknown documents as well as interviews with friends and family reveal new aspects of John Okada's (1923-1971) life and writing, providing a comprehensive biographical outline of the author. The book refutes the assumption that Okada's novel <No-No Boy was all but shunned when first published in 1957. A close reading as well as a comparative study involving Italo Calvino's (1923-1985) <Six Memos for the Next Millennium (1985) position Okada's only book as world literature.

“ David Foster Wallace meets Gabriel Garcia Marquez ” in this novel set in a dystopian Los Angeles from a National Book Award finalist (Publishers Weekly). Irreverently juggling magical realism, film noir, hip hop, and chicanismo, Tropic of Orange takes place in a Los Angeles where the homeless, gangsters, infant organ entrepreneurs, and Hollywood collide on a stretch of the Harbor Freeway. Hemmed in by wildfires, it ' s a symphony conducted from an overpass, grandiose, comic, and as diverse as the city itself—from an author who has received the California Book Award and the Association for Asian American Studies Book Award, among other literary honors.

“ Fiercely satirical . . . Yamashita presents [an] intricate plot with mordant wit. ” —The New York Times Book Review “ A stunner . . . An exquisite mystery novel. But this is a novel of dystopia and apocalypse; the mystery concerns the tragic flaws of human nature. ” —Library Journal (starred review) “ Brilliant . . . An ingenious interpretation of social woes. ” —Booklist (starred review)

A Study Guide for John Okada's "No-No Boy," excerpted from Gale's acclaimed Novels for Students. Yokohama, California, originally released in 1949, is the first published collection of short stories by a Japanese American. Set in a fictional community, these linked stories are alive with the people, gossip, humor, and legends of Japanese America in the 1930s and 1940s. Replaces ISBN 9780295961675

One of the Washington Post's Top Nonfiction Titles of 2001 In the spring of 1942, the federal government forced West Coast Japanese Americans into detainment camps on suspicion of disloyalty. Two years later, the government demanded even more, drafting them into the same military that had been guarding them as subversives. Most of these Americans complied, but Free to Die for Their Country is the first book to tell the powerful story of those who refused. Based on years of research and personal interviews, Eric L. Muller re-creates the emotions and events that followed the arrival of those draft notices, revealing a dark and complex chapter of America's history.
