Not My Father ' s Son: A Family Memoir review – Alan Cumming ...  
I listened to the audiobook NOT MY FATHER'S SON: A Family Memoir written and read by Alan Cumming. Alan Cumming's father Alex was a man who held his family hostage, who meted out violence with a frightening ease. Alex was the dark, enigmatic heart of Cumming family life. But he was not the only mystery.

He's been overshadowed by his father's celebrity status since he was a young boy, and turned to SAS Australia to reinvent himself. But despite his best efforts, 21-year-old Jackson Warne still ...

" Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves. " --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film— " one of the most fun people in show business " (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time, integrating stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, Not My Father ' s Son will make readers laugh even as it breaks their hearts.

The acclaimed actor profiles his turbulent relationship with his father and discusses his 2010 appearance in a celebrity genealogy show to solve the disappearance of a WWII hero grandparent and his discovery of astounding family secrets.

A compelling memoir of fathers, sons, and the Brooklyn streets. Every family has secrets. Ours were just bigger than others. "My earliest memory is of a gun." That gun was in his father's hand - and it was pointed at his mother's head. John Davis grew up in the 1970s and '80s on the rough streets of Brooklyn, a place where no one thought twice when parents smacked around their kids-or each other. At the center of the tumultuous neighborhood, and John's world, was his larger-than-life father, Roberto. The Argentinean butcher and kingpin drug dealer was a sadistic bully whose mercurial temper left a trail of tears and chaos across his family. John, in particular, seemed to bear the brunt of Roberto's wildly swinging moods. Any wrong word could cause an explosion. Every knock on the door might be one of Roberto's enemies, or the police. In his publishing debut, Davis recounts how he spent his childhood in constant terror and his teen years learning to fight back. But it was much later, as an adult, that he learned the most shocking thing of all about his father, his past, and himself. Told with raw honesty and deep emotion, My Father's Son is a memoir of fear, abuse, survival, and identity.

In this deeply moving memoir, one of Canada ' s most respected singer-songwriters traces his difficult, often tumultuous relationship with his father. From the time Dan Hill picked up a guitar at age 11, he tried to win the approval of Daniel Hill Sr., a man who has been called Canada ' s father of human rights. But Hill Sr. set impossibly high standards for himself and his family, especially for his eldest son, leading to conflict and alienation even as young Dan achieved international fame and success. Through vivid family stories, letters, memories and his own award-winning lyrics, Dan Hill tells the story of two parallel lives—his father ' s in mid-20th-century America and his own as a young black man coming of age in suburban Canada—and the stormy but ultimately loving way each of those lives affected the other.

Kevin's life of high school classes, crushes, basketball, and shuttling between his parents' homes falls apart when his father is arrested as a suspected serial killer, leading Kevin to a new understanding of his family and himself.

Despite a traumatic and difficult childhood, 39-year-old Boston sales executive, David Kelly, seems to have it all. While building a life of achievement, material success, and professional respect, an unexpected friendship with Tom Fitzpatrick starts him on an emotional and courageous journey that allows him to confront the truth of his past and the impact it has had on the relationships in his life. The Father's Son is a highly engaging story that will make you think about friendship, forgiveness, redemption, love, and truth, and may prove to profoundly impact how you look at life itself.

This is a true story based on the collection of information from U.S. Army documents, my father, Sgt. Frederick Douglas Sr., Captain James Gill (Referred to as my uncle), and 6 other soldiers that were involved in the unauthorized mission to recover me from a Japanese black market baby ring. Army documents that my father had were also used to put together approximate timelines and fill in gaps of what might have happened during certain times where my father or uncle couldnt quite remember clearly. Some of the conversations in this story are assumptions of what might have been spoken as well as recollections from my father, uncle and a couple of men that were involved in my rescue. My father served 22 years in the U. S. Army with tours of duty in what are now Okinawa, Japan, Korea, and Viet Nam. My uncle served 20 years in the U.S. Air Force and as fate would have it, he was stationed with my father in Okinawa at Naha and Kadena Air Base between the years of 1962-1967. My father had just completed a tour of duty in Korea (3/1961-1/1962) and was being furloughed to Okinawa for a couple of months off until his next tour. It was during January of 1962 when my uncle had just arrived from the United States and was assigned between Naha Air Base and Kadena Air Force Base in charge of air tactical recon and surveillance. Actual names are used in this story for the exception of the Colonel, which I changed his name due to my fathers oath of keeping him protected. What you are about to read is a fathers struggle and perseverance to find his son at all cost and risk, which was a mini-war in itself.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE ' S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama " guides us straight to the intersection of the most serious questions of identity, class, and race " (The Washington Post Book World). " Quite extraordinary. " —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ' s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ' s life, and at last reconciles his divided inheritance. Praise for Dreams from My Father " Beautifully crafted . . . moving and candid. . . This book belongs on the shelf beside works like James McBride ' s The Color of Water and Gregory Howard Williams ' s Life on the Color Line as a tale of living astride America ' s racial categories. " —Scott Turow " Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither. " —The New York Times Book Review " Obama ' s writing is incisive yet forgiving. This is a book worth savoring. " —Alex Kotlowitz, author of There Are No Children Here " One of the most powerful books of self-discovery I ' ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. " —Charlayne Hunter-Gault, author of In My Place " Dreams from My Father is an exquisite, sensitive study of this wonderful young author ' s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. " —Marian Wright Edelman

" On a par with such greats as Stephen King, Clive Barker and Peter Straub " (Midwest Book Review), Bentley Little brings his unnerving talents to the terrifying story of a dysfunctional family in crisis. Steve Nye writes for an alumni magazine and his long-term relationship is on the steady path to marriage. But his quiet life takes an unexpected turn when he receives a phone call from his mother. His father attacked her and has been committed to a mental asylum. The doctor says he ' s suffering from dementia. But Steve ' s father seems so calm, clear-eyed, and perfectly lucid when he whispers, " I killed her..." Is it simply another symptom of delusion and madness? To find the answer, Steve investigates the cryptic message leading him down a terrifying path of his own making—and of his own nightmares....

Drew a young man standing 6' brown skin with a low fade and a body of an athlete that make all the hoes go crazy. But Drew has to start a new life in the ATL with his father. See Drew is a manish thug nigga living in South Carolina with his mom and getting into trouble in the streets and at school. So his mom is sending him down to the ATL to live with his dad and girlfriend and she has a son the same age as Drew who turns out to be fine as hell. Let's see who turns who out.
