OCP: Oracle8i DBA Performance Tuning and Network ...

Performance tuning is a broad and somewhat complex topic area when it comes to Oracle databases. Two of the biggest questions faced by your average DBA concern where to start and what to do. All you may know is that someone (a user) reports a problem about a slow or poor performing application or query.

Oracle Performance Tuning - Database Journal

It is not too late to pursue the Oracle8i Certified Professional Database Administrator certification. If this is something you want to do and you are relatively new to Oracle and you have not started yet, today (this was published at the end of June 2004) is the day you need to start studying—even if you are an old hand at Oracle. I will lay out a short background about why the certification ...

Oracle Certification - The Last Word on OCP for Oracle8i

OCP: Oracle8i DBA Certification Kit: 9780782126853: Computer Science Books @ Amazon.com ... The biggest problem I have is with the Performance Tuning and Network Administration book. First, I get random errors when I try to use the tests on CD. I'll be part way through the test and it will hang up. If I get back in it usually works. I had no trouble with one of the other CD's. The other ...
