Other gods called sons of Odin by Snorri Sturluson. In various kennings Snorri also describes Heimdallr, Bragi, Týr and Höðr as sons of Odin, information that appears nowhere else in the Edda. For Heimdall there is no variant account of his father. The same may not be true for Bragi if Bragi is taken to be the skaldic poet Bragi Boddason made into a god. But Týr, according to the Eddic poem Hymiskvida, was son of the giant Hymir rather than a son of Odin. As to Höd, outside of the ...

Of all of Odin's sons it seems most likely that Shadow is Baldr, the "shining God" and the good son. Baldr is the son who's personality most matches the personality of Shadow. We know he is not Loki the mischievous, because Loki also appears in the novel as Wednesday's co-conspirator in the staged war between the old Gods and the new Gods.

Odins Shadow Sons Of Odin Book 1

In addition, Shadow is missing key parts of the Baldr myth, including his method of death, and lacks his appearance (Baldr is explicitly pale blonde). I think the threat Loki makes to Shadow - to shove a spear of mistletoe into Shadow's eye - was to be another dual worshipping of Loki and Odin, in that the use of mistletoe marks a key part of Loki's myth, and the removal of an eye Odin's.

[American Gods] Is Shadow Baldr or another son of Odin ---

Being Odin's son, it could indicate that his real name could possibly be "Thor". Other known sons of Odin in are Tyr and Baldr. Though many believe Loki is a son of Odin this is only true in the comic representation of the Gods. In the actual religious belief (called Heathenism) Loki is a sworn blood brother of Odin. It is unknown who his mother is.
