Agassi's style is open, all right, and his book, like so many of his tennis games, is a clear winner." — O, The Oprah Magazine "Hard-won self-knowledge irradiates almost every page of Open.... Not just a first-rate sports memoir but a genuine bildungsroman, darkly funny yet also anguished and soulful.

128 quotes from Andre Agassi: 'It's no accident, I think, that tennis uses the language of life. Advantage, service, fault, break, love, the basic elements of tennis are those of everyday existence, because every match is a life in miniature. Even the structure of tennis, the way the pieces fit inside one another like Russian nesting dolls, mimics the structure of our days.

A candid memoir by the tennis champion includes coverage of his Grand Slam wins, establishment of a charitable foundation for underprivileged children and marriage to Stefanie Graf. Reprint. A #1 best-seller and New York Times Notable Book.

#1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game.

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court – but from early childhood Andre Agassi hated the game.

What's heaven to seven-year-old Andre Agassi? To never play tennis again. Yet his father has other plans. Mike Agassi was born in Iran, where Allied soldiers gave him a racket after the war and introduced him to the game. He shaves without soap or cream, boxed in the Olympics, and speaks five languages. The sixth is tennis. And his greatest dream is for his son to become number one in the world. A selection from the acclaimed autobiography *Open*, this is the tumultuous first confrontation between father and son, between the lines of the court: a searching portrait of Agassi before fame and success.

The tennis star offers a candid account of his athletic career that reveals his rise to fame on the court, his most dramatic on-court moments, his famed rivalry with Andre Agassi, and the pressures of and lessons learned about success.

One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record *No Sleep 'Til Hammersmith* and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. *White Line Fever*, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

Driven by his love of tennis, Mike Agassi decided to teach his children how to play the game. It was his son Andre? talent that shone through the brightest, and Andre became dominant in the world of men? tennis. The Agassi Story begins on the streets of

"Electrifying." --Booklist (starred) Willie Sutton was born in the Irish slums of Brooklyn in 1901, and he came of age at a time when banks were out of control. Sutton saw only one way out

and only one way to win the girl of his dreams. So began the career of America's most successful bank robber. During three decades Sutton became so good at breaking into banks, the FBI put him on its first-ever Most Wanted List. But the public rooted for the criminal who never fired a shot, and when Sutton was finally caught for good, crowds at the jail chanted his name. In J.R. Moehringer's retelling, it was more than need or rage that drove Sutton. It was his first love. And when he finally walked free--a surprise pardon on Christmas Eve, 1969--he immediately set out to find her. "What Hilary Mantel did for Thomas Cromwell and Paula McLain for Hadley Hemingway . . . J.R. Moehringer now does for bank robber Willie Sutton." --Newsday "Thoroughly absorbing. . . . Filled with vibrant and colorful re-creations of not one but several times in the American past." --Kevin Baker, author of *Strivers Row* "[J.R. Moehringer] has found an historical subject equal to his vivid imagination, gimlet journalistic eye, and pitch-perfect ear for dialogue. By turns suspenseful, funny, romantic, and sad--in short, a book you won't be able to put down." --John Burnham Schwartz, author of *Reservation Road* and *The Commoner*
