Ann Pope's piano duo arrangement captures the rhythmic drive of the original orchestral setting, and also offers each performer an equal opportunity with the dance melodies. A real crowd pleaser!

As violent conflicts become increasingly intra-state rather than inter-state, international migration has rendered them increasingly transnational, as protagonists from each side find themselves in new countries of residence. In spite of leaving their homeland, the grievances and grudges that existed between them are not forgotten and can be passed to

the next generation. This book explores the extension of homeland conflicts into transnational space amongst diaspora groups, with particular attention to the interactions between second-generation migrants. Comparative in approach, *Diasporas and Homeland Conflicts* focuses on the tensions that exist between Kurdish and Turkish populations in Sweden and Germany, examining the effects of hostland policies and politics on the construction, shaping or elimination of homeland conflicts. Drawing on extensive interview material with members of diasporic communities, this book sheds fresh light on the influences exercised on conflict dynamics by state policies on migrant incorporation and

multiculturalism, as well as structures of migrant organizations. As such, it will be of interest to scholars of sociology, political science and international studies with interests in migration and diaspora, integration and transnational conflict.

The saga of love, loyalty, and crime continues in the next explosive book in the Cartel series from the minds of New York Times bestselling authors Ashley & JaQuavis. After the tragic and bloody end to The Cartel's reign, Carter is forced into isolation to evade the law. With his wife, Miamor, facing federal charges and his dear brother, six feet under, Carter has never been more alone. His empire is at his feet and he has

no idea how to rebuild his kingdom. The only thing that is certain is that he has to stay out the way and off the radar of the Feds until he can figure out how to get his lady out of prison. Miamor's freedom is guaranteed—provided Carter help create and distribute a drug that will take the streets by storm. Rubbing elbows with the most notorious, ruthless leaders of the underworld will get him what he wants. But can he win at their game of murder and money?

Over the past thirty-five years, Canada's provinces and territories have undergone significant political changes. Abandoning mid-century Keynesian policies, governments of all political persuasions have turned

to deregulation, tax reduction, and government downsizing as policy solutions for a wide range of social and economic issues. Transforming Provincial Politics is the first province-by-province analysis of politics and political economy in more than a decade, and the first to directly examine the turn to neoliberal policies at the provincial and territorial level.

Featuring chapters written by experts in the politics of each province and territory, Transforming Provincial Politics examines how neoliberal policies have affected politics in each jurisdiction. A comprehensive and accessible analysis of the issues involved, this collection will be welcomed by scholars, instructors, and anyone interested in the state of provincial
