Interactive storytelling, where the story is spoken or chanted, began as a way to include individuals with severe and profound learning disabilities in larger group activities, whether children at school or adults in day services. The stories are performed in call-and-response - one person calls out a line and the rest of the group respond either by calling back the same line or by calling out a pre-arranged response - and require no previous experience in drama or storytelling. They can be performed anywhere, by anyone. Various stories are explored, ranging from folktales and pantomime to poetry, the works of Charles Dickens, Shakespeare and stories from the Old Testament. Each extract details the full call-and-response

for performing the story. This approach to storytelling can be used by teachers and group facilitators in a variety of settings and with any group of children or adults, irrespective of their level of disability. This hands-on manual will enable teachers, therapists, parents and anyone working with children or adults in community settings to use performance and recital to bring stories, drama and poetry to life for people of all abilities. 'This book is a useful resource...is simply written...is especially appropriate for people working with children and adults with speech, language and communication difficulties.' - Child Language Teaching and Therapy.

tumultuous, scandalous, glitzy, and glamorous history of English country houses and high society during the interwar period As WWI drew to a close, change reverberated through the halls of England's country homes. As the sun set slowly on the British Empire, the shadows lengthened on the lawns of a thousand stately homes. In *The Long Weekend*, historian Adrian Tinniswood introduces us to the tumultuous, scandalous and glamorous history of English country houses during the years between World Wars. As estate taxes and other challenges forced many of these venerable houses onto the market, new sectors of British and American society were seduced by the dream of owning a home in the English countryside. Drawing on thousands of memoirs, letters, and diaries, as well as the eye-witness testimonies of belted earls and bibulous butlers, Tinniswood brings the stately homes of England to life as never

before, opening the door to a world by turns opulent and ordinary, noble and vicious, and forever wrapped in myth. We are drawn into the intrigues of legendary families such as the Astors, the Churchills and the Devonshires as they hosted hunting parties and balls that attracted the likes of Charlie Chaplin, T.E. Lawrence, and royals such as Edward VIII and Wallis Simpson. We waltz through aristocratic soiré, and watch as the upper crust struggle to fend off rising taxes and underbred outsiders, property speculators and poultry farmers. We gain insight into the guilt and the gingerbread, and see how the image of the country house was carefully protected by its occupants above and below stairs. Through the glitz of estate parties, the social tensions between old money and new, the hunting parties, illicit trysts, and grand feasts, Tinniswood offers a glimpse behind the veil of these great estates -- and reveals a reality much
