National Register of Public Service Interpreters. NRPSI is the UK's independent voluntary regulator of professional interpreters specialising in public service. We maintain a public register of professional, qualified and accountable interpreters. The National Register is free of charge to access and searchable online.

*NRPSI -National Register of Public Service Interpreters*

Public service interpreting, for the purpose of this Knowledge Centre, is the type of interpreting that enables national and regional authorities to communicate with persons with a migrant and/or refugee background who do not speak or understand the national language(s) (sufficiently well), in order to screen their status as (potential) asylum seekers or to allow them to have access to public services such as health care, municipal and police services.

*Public Service Interpreting - Definition and context ...*

The National Register of Public Service Interpreters (NRPSI) is an independent not-for-profit organisation that regulates the standards for interpreters working in the public services in the UK. The principal aim is to protect the public from poor standards of interpreting.

*Public service interpreters in the UK - Wikipedia*

PSI is the type of interpreting that takes place between residents of a community. It is carried out in the context of the public services, where service users do not speak the majority language of the country.
