Celebrating the Crime Queens of the Golden Age. The Golden Age of British detective writing was dominated by four female authors who have predictably become known as the Queens of Crime: Agatha Christie, Dorothy L. Sayers, Margery Allingham, and Josephine Tey. There was actually a fifth as well, Ngaio Marsh, but she is usually discounted as she was a New Zealander, although her books are predominantly set in Britain (and many of them are among my personal favorites).

Queens Of Crime The Golden Age Of Crime Fiction ...

The Golden Age of Detective Fiction was an era of classic murder mystery novels of similar patterns and styles, predominantly in the 1920s and 1930s. The Golden Age proper is in practice usually taken to refer to a type of fiction which was predominant in the 1920s and 1930s but had been written since at least 1911 and is still being written—though much less—today.

And because I ’m a feminist, I ’m going to start with the so-called ‘Queens of Crime’, four British (well, three British and one Kiwi) women who dominated the crime fiction genre in the 1920 ’s and 1930 ’s. These four women challenged cultural norms, asserted themselves in a predominantly male-dominated world, achieved incredible success in a traditionally masculine field, and also happened to write very enjoyable mystery novels, in addition to other literary works.

Queens Of Crime The Golden Age Of Crime Fiction

The Queen of Crime penned 66 mystery novels during her lifetime, many starring her famous detectives Hercule Poirot or Miss Marple. For me it was a toss-up between The Murder of Roger Ackroyd and And Then There Were None, two of Christie’s most popular novels, both of which break the rules of Golden Age detective fiction in at least one significant way.

Featuring sixteen contributions from recognized authorities in their respective fields, this superb new mapping of women’s writing ranges from feminine middlebrow novels to Virginia Woolf’s modernist aesthetics, from women’s literary journalism to crime fiction, and from West End drama to the literature of Scotland, Ireland and Wales. This anthology of rare stories of crime and suspense brings together 15 tales from the Golden Age of Detective Fiction for the first time in book form, including a newly discovered Gervase Fen novella by Edmund Crispin that has never previously been published.

This anthology of rare stories of crime and suspense brings together 15 tales from the Golden Age of Detective Fiction for the first time in book form, including a newly discovered Gervase Fen novella by Edmund Crispin that has never previously been published. With the Golden Age of detective fiction shining ever more brightly with the increasing availability of many long forgotten classic crime novels from the first half of the twentieth century, the publication of Bodies from the Library in 2015 was an unexpected treat for fans of some of the genre’s cleverest and most popular writers. With lost stories by authors including Georgette Heyer, A.A. Milne, Anthony Berkeley, Nicholas Blake, Cyril Hare and Roy Vickers, the book was surely a unique opportunity finally to fill the gaps in some of the greatest canons of detective and thriller fiction. This follow-up volume is a showcase for fifteen more popular names from the Golden Age, including Margery Allingham, Helen Simpson, Ethel Lina White, John Rhode, Agatha Christie and S.S. Van Dine - plus a few big surprises yet to be announced - with stories so rare that many don’t yet appear on their writers’ established bibliographies. Selected and introduced by Tony Medawar, who also writes a short essay about each contributor, Bodies from the Library 2 is a genuine treasure-trove of missing episodes from the work of some of the world’s favourite classic crime writers.

"As an anthologist, Ellery Queen is without peer, his taste unequalled. As a bibliographer and a collector of the detective short story, Queen is, again, a historical personage. Indeed, Ellery Queen clearly is, after Poe, the most important American in mystery fiction." — Otto Penzler, from Detectionary: A Biographical Dictionary of Leading Characters in Mystery Fiction A newspaper receives a letter from a man claiming to have been murdered—it’s impossible but the truth is not so simple; five strangers who share the same initials are invited to spend the night in a luxury hotel but one of them is a murderer. The 12 stories in this book will lead you through dramatic twists and unexpected turns. The legendary Ellery Queen selected these stories by award-winning Japanese authors from among many thousands published in postwar Japan. Each story features an unusual crime and a complex set of clues investigated by a diverse and colorful cast of characters that includes a calculating inspector, a tenacious journalist, and a determined scientist. The thrilling stories in this volume include: "Perfectly Lovely Ladies" by Kawabata Award winner Yasutaka Tsutsui; Eight women fight the high cost of living using violent means but will they get away with murder? "The Cooperative Defendant" by Akutagawa Prize winner Saicho Matsumoto: After a man confesses to a killing, he retracts his confession and accuses the detectives of coercion. But who is right? "Devil of a Boy" by Edogawa Rampo Prize winner Seichi Morimura: A schoolboy may still be very young but he is as sinister as the most hardened of criminals...or is someone else involved? "The Kindly Blackmailer" by Mystery Writers of Japan Award winner Kyotaro Nishimura: A man involved in a fatal hit-and-run is blackmailed by a mysterious witness. Who is this enigmatic stranger? Ellery Queen’s Japanese Mystery Stories is a collection that is sure to delight lovers of great detective and crime fiction. The book features a new foreword by Japanese detective fiction expert Satoru Saito which places the stories within the context of Japanese society and modern Japanese literature.

This book is the first fully theorized queer reading of a Golden Age British crime writer. Agatha Christie was the most commercially successful novelist of the twentieth century, and her fiction remains popular. She created such memorable characters as Hercule Poirot and Jane Marple, and has become synonymous with a nostalgic, conservative tradition of crime fiction. J.C. Bernthal reads Christie through the lens of queer theory, uncovering a playful, alert, and subversive social commentary. After considering Christie’s emergence in a commercial market hostile to her sex, in Queering Agatha Christie Bernthal explores homophobic stereotypes, gender performativity, queer children, and masquerade in key texts published between 1920 and 1952. Christie engaged with debates around human identity in a unique historical period affected by two world wars. The final chapter considers twenty-first century Poirot and Marple adaptations, with visible LGBT characters, and poses the question: might the books be queerer?

This anthology of rare stories of crime and suspense brings together 18 tales from the Golden Age of Detective Fiction for the first time in book form, including uncollected stories by Ngaio Marsh and John Dickson Carr.

When a prominent New York socialite is murdered by means of an overdose of medication, it takes Dr Basil Willing, a psychiatrist attached to the police department, to solve the case. But mysterious accidents start occurring during his investigation, and Willing must look deeper to uncover the motive and prevent the murderer from striking again ...

Female crime writers were not always given the same recognition as today. Edgar Allan Poe’s detective story ‘The Murders in the Rue Morgue’, written in 1841, is regarded as the beginning of the detective genre. In the following years, the genre was typically dominated by male authors. Since then considerable progress has been made, and female authors have created a very individual way of writing detective novels. However, experts still disagree on a clear definition of the female crime novel. The present study hopes to gain further insight into female detective novels coming from the USA and Great Britain. After giving basic information on the history of female detective novels and the ideal crime scheme, the study analyses the characteristics of female detective novels as opposed to male detective novels and the appeal of detective novels for women writers. Although female detective novels are not a separate sub-genre but rather a separate field within the genre of detective novels, women have given the genre new impulses.

This is the story of a national obsession. Ever since the Ratscliffe Highway Murders caused a nation-wide panic in Regency England, the British have taken an almost ghoulish pleasure in ‘a good murder’. This fascination helped create a whole new world of entertainment, inspiring novels, plays and films, puppet shows, paintings and true-crime journalism - as well as an army of fictional detectives who still enthral us today. A Very British Murder is Lucy Worsley’s captivating account of this curious national obsession. It is a tale of dark deeds and guilty pleasures, a riveting investigation into the British soul by one of our finest historians.
