"The Hinson" has been indispensable for performers, teachers, and students. Now updated and expanded, it's better than ever, with 120 more composers, expertly guiding pianists to solo literature and answering the vital questions: What's available? How difficult is it? What are its special features? How does one reach the publisher? The "new Hinson" includes solo compositions of nearly 2,000 composers, with biographical sketches of major composers. Every entry offers description, publisher, number of pages, performance time, style and characteristics, and level of difficulty. Extensively revised, this new edition is destined to become a trusted guide for years to come.

The book is intended to help new and veteran band directors develop an orchestra in their school. It outlines step by step what needs to be done before the teacher meets students, preparing for the first rehearsal and first performance, developing syllabi, handbooks and lesson plans as well as maintaining and growing a viable string program. There is a chapter devoted to using technology in the orchestra classroom to keep students academically and creatively challenged.

An eminent psychologist helps readers control or eliminate such negative emotions as anger, depression, anxiety, and low self-esteem, offering a variety of strategies and therapeutic approaches that have proved effective in managing one's moods, and includes information on such options as therapy, counseling, medication, and more. Original. 15,000 first printing.
