Description. No business concept was more important to America's economic revival in the 1990s than reengineering -- introduced to the world in Michael Hammer and James Champy's Reengineering the Corporation. Already a classic, this international bestseller describes how the radical redesign of a company's processes, organization, and culture can achieve a quantum leap in performance.

Reengineering the corporation : : a manifesto for business...

Reengineering the Corporation, the international bestseller is the pioneering book on the most important topic in business circles today: reengineering--the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance.

Reengineering the Corporation : A Manifesto for Business ...

Reengineering the corporation, the authors argue, means ceasing to think in terms of jobs and objectives and other such traditional management concepts and starting to think in terms of "process." The entire "work process" must be reconceived and restructured, with everything up for grabs and nothing taken as a given.

Reengineering the corporation: A manifesto for business ...

Reengineering the corporation : a manifesto for business revolution / Michael Hammer & James Champy.

The most successful business book of the last decade, Reengineering the Corporation is the pioneering work on the most important topic in business today: achieving dramatic performance improvements. This book leads readers through the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance. Michael Hammer and James Champy have updated and revised their milestone work for the New Economy they helped to create--promising to help corporations save hundreds of millions of dollars more, raise their customer satisfaction still higher, and grow ever more nimble in the years to come.

The most successful business book of the last decade, Reengineering the Corporation is the pioneering work on the most important topic in business today: achieving dramatic performance improvements. This book leads readers through the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance. Michael Hammer and James Champy have updated and revised their milestone work for the New Economy they helped to create -- promising to help corporations save hundreds of millions of dollars more, raise their customer satisfaction still higher, and grow ever more nimble in the years to come.

Reengineering the Corporation, the international bestseller is the pioneering book on the most important topic in business circles today: reengineering--the radical redesign of a company's processes, organization, and culture to achieve a quantum leap in performance. Michael Hammer and James Champy show how some of the world's premier corporations are reengineering to save hundreds of millions of dollars a year, achieve unprecedented levels of customer satisfaction, and speed up and make more flexible all aspects of their operations.

Already a classic, this international bestseller has now been updated for the new economy Hammer and Champy helped to create, describing how the radical redesign of a company's processes, organisation and culture can improve performance.

""Reengineering Health Care" gets to the core of transforming our current system by advocating the widespread use of IT, eliminating inefficient practices, and keeping the system focused on a healthy individual and not on a broken process.""--Newt Gingrich, Founder of the Center for Health Transformation, and former Speaker of the U.S. House of Representatives ""This book is a prescription for streamlining health care. Using the techniques that have successfully transformed business into customer-focused and efficient organizations, the authors provide a step-by-step approach to improving health care processes, guiding health care into the next generation of Lean delivery systems.""--Dr. John Halamka, Chief Information Officer, Beth Israel Deaconess Medical Center ""In health care, we tend to inundate our people with information, rather than enabling them to have insights. This concise guide will resonate with both senior and front-line managers who know they're engaged in unproductive work. They will see that reengineering is not overly difficult and can enable them to improve patient care and efficiency.""--Trevor Fetter, President and CEO, Tenet Health Corporation, and Trustee, Federation of American Hospitals ""It isn't reform that will fix our ailing health care system, its reengineering. Champy and Greenspun highlight organizations that have transformed, and reinvented, themselves by reengineering care delivery--they've lowered costs, improved care quality and patient safety, and increased the satisfaction of those giving and receiving care. Every clinician, hospital executive, and politician should read this book.""--Bill Crouse, M.D., Senior Director, Worldwide Health, Microsoft Corporation ""Implement health care technology, and you have better health care tools; reengineer with a focus on technology, process, and people, and you have a better health care system. This straightforward guide shows how to transform health care to maximize quality, safety, convenience, and impact the cost of delivery. No one can read this book and not feel a profound call to action.""--H. Stephen Lieber, CAE, President & CEO, HIMSS In their legendary book, "Reengineering the Corporation", Jim Champy and Michael Hammer introduced businesspeople to the enormous power of a revolutionary methodology called "reengineering". Using reengineering, businesses around the world have systematically retooled their processes--achieving dramatic cost savings, greater customer satisfaction, and more value. Now, Jim Champy and Dr. Harry Greenspun show how to apply the proven reengineering methodology in health care: throughout physician practices, hospitals, and even entire health systems. You'll meet innovative and visionary leaders who've been successfully reengineering organizations across the entire delivery spectrum and learn powerful lessons for improving quality, reducing costs, and expanding access. This book doesn't just demonstrate the immense potential of health care reengineering to revolutionize health care delivery: "It offers a clear roadmap for realizing that potential in your own organization"" " Deliver Better Care to More People, at Lower Cost How reengineering can lead to more efficient, safer delivery--and sharply reduced costs How to focus on prevention and wellness, as well as chronic disease and hospital care How to earn the trust, contributions, and passion of skeptical physicians and health care professionals How to harness technology to create more seamless, accessible, valued, and sustainable health care systems--and avoid technology's pitfalls How Zeev Neuwirth transformed the Lenox Hill Hospital ER and the 700-doctor Harvard Vanguard Medical Associates practice How Tom Knight is revolutionizing patient safety at Methodist Hospital System, one of America's largest private, nonprofit medical complexes How to start today in your own organization!

The must-read summary of Michael Hammer and James Champy's book: "Reengineering the Corporation: A Manifesto for Business Revolution". This complete summary of the ideas from Michael Hammer and James Champ's book "Reengineering the Corporation" shows how it is important to forget about business traditions and invent a new, process-focused business organisation that leads to better performance. In their book, the authors explain how you can use your knowledge to develop a new organisation that is as optimal as possible. By re-engineering the rules of business, you will be able to gain a true competitive advantage. Added-value of this summary: • Save time • Understand the key concepts • Expand your business knowledge To learn more, read "Reengineering the Corporation: A Manifesto for Business Revolution" to prepare your business for the future and achieve success.

In Reengineering the Corporation Michael Hammer introduced to reengineering success. He and his colleague Steven Stanton offer practical guidance on the principles of reengineering. The book contains case studies and examples and takes the mystery out of reengineering.

This title is of value to businesses from all sectors which are considering their re-engineering and restructuring options, as well as those that are reviewing both their approach to international expansion, and whether there are other ways to penetrate domestic markets which their typical expansion model does not allow them to address.This first edition of Alternative Corporate Re-engineering will be of great assistance to corporations and their counsel, providing valuable insights and guidance to these complicated processes
