has a familiar background or because it takes them to places they long to visit.

Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in

mystery series! This three-  
volume encyclopedia of women  
characters in the mystery  
novel is like a gigantic  
menu. Like a menu, the  
descriptions of the items  
that are provided are  
subjective. Volume 3 of

lack those roses sensibly,  
and finally what it feels  
like when one discovers a  
whole rose garden.
