The rich person ' s mind thinks more about providing quality than about earning their own profit. They think about how their products benefit society. This is what makes people believe in what they give and buy those things. Making people buy their product is one of the least things in the rich person ' s mind.

What is the Mindset of the Rich - Efren Nolasco

"The rich man had received his good things, and had used them selfishly for his benefit alone. Despite frequent injunctions in the O[[d] T[estament] for the rich to share their good things with the poor, this rich man's indifference to Lazarus showed how far his heart was from God and how far his path had strayed from God's ways.
