Think of roots as the base of the word and prefixes and suffixes as word parts that are attached to the base.

These basic word parts generally have the same meaning in whatever word they 're used. For instance, pro- means something along the lines of in favor of, forward, or positive, whether you use it in the word proton or the word proceed. Each list below has the word part, its meaning, and one word that uses each word part. Write down additional words that use each word part to help you ...
