A new, updated edition of the essential guide to the practice of the runes as a magical tool for spiritual development. In Futhark, rune master Edred Thorsson reinitiates us into our heritage, explaining the mysteries of a profound system of thought and practice that underlies our developing Western culture. Futhark covers both the spiritual heritage of ancient runic lore and the practical steps we can take to draw on rune power. This complete book of rune instruction includes rune history and lore, its basis in metaphysical thought and mysticism, complete definitions of the twenty-four runes of the Elder Futhark, and the etymology, phonetic value, and interpretation of each rune. The reader will learn how to perform chants and rituals using runic energy, how to sign and send runes, and how to practice runic meditation. The author's presentation of this powerful system is lucid and profound, and provides a valuable tool for spiritual transformation and self-development.
