communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples help readers examine their own assumptions, perceptions, and cultural biases--so they can understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology.

officers and men of the White Russian army, together with their families and other civilians fleeing the victorious Bolsheviks at the end of the Civil War, which had raged through the country after the 1917 Russian Revolution. Britain had offered transport and temporary sanctuary in its nearest territory. 1,546 desperate men, women, and children from two of the ships were housed in a WWI Turkish prisoner-of-war camp to wait for other countries to offer asylum; the other ship sailed on to Egypt and another camp. In Cyprus, some died and some moved on, but a group of about seventy saw opportunities for a new life on the island. They formed the core of a Russian community which attracted other migrants over the decades but whose story is largely unknown or forgotten, even on the island. One of them was the author's grandfather. The author has tracked down official

librarian. Comfortable padded and in her middle years, Shona McMonagle may look bookish and harmless, but her education at the Marcia Blaine School for Girls has left her with a deadly expertise in everything from martial arts to quantum physics. It has also left her with a bone-deep loathing for *The Prime of Miss Jean Brodie*, that scurrilous novel that spread scandalous untruths about the finest educational institution in Edinburgh. Shona's skills, her deceptively mild appearance, and her passionate loyalty make her the perfect recruit for an interesting new project: time travel to Tzarist Russia, prevent a gross miscarriage of romance, and—in any spare time—see to it that only the right people get murdered. It's a big job, but no task is too daunting for a prefect from Miss Blaine's. "A delightful addition to the ranks of comic crime." —The Guardian, UK

Colette Faizal isn't superstitious, so she doesn't worry when a fortune-teller advises Colette's mother to "watch for the unexpected." But when her father announces he is going back to Iran, her mother is hurt in a car accident and Colette is sent to live with the grandparents she's never even met, everything the mysterious woman predicted seems to be coming true. As Colette struggles to bring her family back together, she tries to hold on to the last thing the fortune-teller told her: "You will know how to handle what lies ahead."

1919, a young English couple, Livvy and Peter, leave Baku, which the previous year had become the capital of an independent Azerbaijan. While Livvy is reluctant to leave her home, Peter sees no future for Britons in the new country and treats their escape as an adventure. With their baby, they bluff and bribe their way across Bolshevik and White Russian territory to Archangel on the north coast of Russia, hoping to board a British ship. Only two of them ever manage to reach home.

About the Author: Born in Worcestershire, Janet Hancock has lived in Dorset since 1991. For many years she taught English in the south of England to Arab and African officers. The germ of *Beyond the Samovar* was a newspaper reference to an unnamed Englishwoman caught up in the 1917 revolution in Baku, which at that time was in Russia. Janet enjoys choral singing and cultivating her courtyard garden.
