Perfect for fans of The Hazel Wood, this genre-bending page-turner from New York Times bestselling author Madeleine Roux follows two girls who transport themselves into the world of their favorite book only to encounter the sinister alternate reality that awaits them. No matter how different best friends Adelle and Connie are, one thing they’ve always had in common is their love of a little-known gothic romance novel called Moira. So when the girls are tempted by a mysterious man to enter the world of the book, they hardly suspect it will work. But suddenly they are in the world of Moira, living among characters they’ve obsessed about for years. Except...all is not how they remembered it. The world has been turned upside down: The lavish balls and star-crossed love affairs are now interlaced with unspeakable horrors. The girls realize that something dark is lurking behind their foray into fiction—and they will have to rewrite their own arcs if they hope to escape this nightmare with their lives.

Since publishing the original edition of A Woman's World in 1995, Travelers' Tales has been the recognized leader in women’s travel literature, and with the launch of the annual series The Best Travel Writing in 2004, the obvious next step was an annual collection of the best women’s travel writing of the year. This title is the eighth in an annual series—The Best Women’s Travel Writing—that presents stimulating, inspiring, and uplifting adventures from women who have traveled to the ends of the earth to discover new places, peoples, and facets of themselves. The common threads connecting these stories are a woman’s perspective and fresh, compelling storytelling to make the reader laugh, weep, wish she were there, or be glad she wasn’t. The points of view and perspectives are global, and themes are as eclectic as in all of our books, including stories that encompass spiritual growth, hilarity and misadventure, high adventure, romance, solo

journeys, stories of service to humanity, family travel, and encounters with exotic cuisine.

In 8 Secrets to Powerful Manifesting, you will learn how to: · Infuse the manifestation process with self-love to help you work through your past, set positive intentions, and create a high vibration for manifestation goals to come true. · Detangle the dense energy (which impacts the neurological pathways) by understanding why what we want doesn't show up, so we can set a clear path of creation. (Think of an unpaved road with potholes versus a smooth drive to your destination) · Create ways to energetically check in with yourself · Manage your psychological triggers with "pattern interrupts" · Examine the rules you live by and be brave enough to rewrite them Achieve the life you deserve and desire using the tools of the most highly effective manifesters.
