The Famished Gods: Speaking Selves in Akkarmashi is a critical reception of the Indian Dalit classical autobiography of Sharankumar Limbale, Akkarmashi, The Outcaste (2003). This book microscopically scrutinizes aspects of penury and destitution for which 'stomach' becomes the metaphor. While centrally focusing on the themes of 'food' and 'hunger', it also undertakes discussions on resistance, identities, atrocities and the like.

Outcaste: A Memoir Is A Multilayered Personalized Saga Of The Social Metamorphosis Of Dalits In India. At One Level, It Is A Loving Tribute From A Son To His Father. At Another, It Gives An Intelligent Appraisal Of The Caste System In India And Traces The Story Of The Awakening Of Dalits Traversing Three Generations. At Still Another Level, It Is Reflective Of The Aspirations Of Millions Of Dalits In India. Written In The First Person, At Times From The Perspective Of Narendra Jadhav S Parents, Damu And Sonu, And At Other Times From His Own, The Book Traces The Remarkable Journey Of Damu From A Small Village At Ozar In Maharashtra To The City Of Mumbai To Escape Persecution. In The City, Although Illiterate And Despite The Disadvantages Of His Mahar Caste, Damu Earns Respect In The Various Jobs He Undertakes. Even More Heartening, His Children And Their Offspring Go On To Fulfil All His Aspirations, Rising To High Positions In Their Chosen Careers, And Overcoming, Finally, The Barrier That Had So Bedevilled His Own Life. Damu S Refusal To Cave In To Any Type Of Injustice And His Iron Determination Form The Heart Of The Book. But Outcaste Is Much More Than A Personal Recounting Of The Downside Of The Caste Divide In India. It Also Examines Dalit Issues In The Context Of The Dalits Awakening Spearheaded By The Champion Of Human Rights, Babasaheb Ambedkar, The Independence Movement, The Civil Disobedience Movement, Gandhiji S Relation With Ambedkar, The Mass Conversion Of Dalits To Buddhism In 1956, And Caste In Its Contemporary Reality. Japan's lightning march across Asia during World War II was swift and brutal. Nation after nation fell to Japanese soldiers. How were the Japanese able to justify their occupation of so many Asian nations? And how did they find supporters in countries they subdued and exploited? *Race War!* delves into submerged and forgotten history to reveal how European racism and colonialism were deftly exploited by the Japanese to create allies among formerly colonized people of color. Through interviews and original archival research on five continents, Gerald Horne shows how race played a key—and hitherto ignored—role in each phase of the war. During the conflict, the Japanese turned white racism on its head portraying the war as a defense against white domination in the Pacific. We learn about the reverse racial hierarchy practiced by the Japanese internment camps, in which whites were placed at the bottom of the totem pole, under the supervision of Chinese, Korean, and Indian guards—an embarrassing example of racial payback that was downplayed by the defeated Japanese and the humiliated Europeans and Euro-Americans. Focusing on the microcosmic example of Hong Kong but ranging from colonial India to New Zealand and the shores of the U.S., Gerald Horne radically retells the story of the war. From racist U.S. propaganda to Black Nationalist open support of Imperial Japan, information about the effect of

race on U.S. and British policy is revealed for the first time. This revisionist account of the war draws connections between General Tojo, Malaysian freedom fighters, and Elijah Muhammed of the Nation of Islam and shows how white racism encouraged and enabled Japanese imperialism. In sum, Horne demonstrates that the retreat of white supremacy was not only driven by the impact of the Cold War and the energized militancy of Africans and African-Americans but by the impact of the Pacific War as well, as a chastened U.S. and U.K. moved vigorously after this conflict to remove the conditions that made Japan's success possible.

Reflecting Contemporary Conflicts In India, This Novel, Translated From The Marathi, Set In A Village In Western India, Reveals The End Of Compromise Based On Fear, Which Once Controlled The Untouchables, Who Go All Out To Avenge The Murder Of A Dalit Activist By Upper Castes. It Also Talks Of The Changing Face Of Gender Oppression Within All Castes.

Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a

manifesto for the revolutionary transformation of society and human consciousness.

In this path-breaking study, a first in many ways, Anandita Pan argues that dalit women are an intersectional category, simultaneously affected by caste and gender. The use of intersectionality permits observation of the ways in which different forms of discrimination combine and overlap, challenging the apparent homogeneity of the categories 'woman' and 'dalit' as seen by mainstream Indian Feminism and Dalit Politics. This points to the difference between women and dalit women and the latter with dalit men, which leave them unrepresented. The book investigates the questions of 'selfhood', identity, representation and epistemology which reveal the 'savarnanization' of 'Indian woman' and the masculinization of 'dalit'. There is an incisive discussion of knowledge produced about dalit women and the intervention and contribution of Dalit Feminism therein. The book concludes with the question of who can be or become a dalit feminist, intriguingly, not a limited category.
