The world-renowned Sharpe series is now available with gorgeous packaging for a new generation of readers A few years after Richard Sharpe's heroic exploits on the battlefields of Trafalgar, Sharpe finds himself once again in Portugal, fighting the savage armies of Napoleon Bonaparte, as they try to bring the whole of the Iberian Peninsula under their control. Travelling with a small British contingent, Sharpe is on the lookout for Kate Savage, the daughter of an English wine shipper, who has gone missing a few months before. But just as he follows the first leads to the missing girl, the French onslaught on Portugal begins and the city of Oporto becomes a bloody scene of carnage and disaster as it falls into the hands of the enemy.

Richard Sharpe and his men, quartered in a crumbling Portuguese fort, are attacked by an elite French unit, led by an old enemy of Sharpe's, and suffer heavy losses.The army's high command blame Sharpe for the disaster and his military career seems to be ruined. His only hope is to redeem himself on the battlefield. So with his honour at stake, against an overwhelming number of French troops, Sharpe leads his men to battle in the narrow streets of Fuentes de Oñoro.

It is 1811 and the war seems lost. All Spain has fallen to the French, except for Cadiz which is now the Spanish capital and is under siege. Wellington and his British Army are in Portugal, waiting for the war to begin again. Sharpe and his company are part of a small expeditionary force sent to break a bridge across the River Guadiana.
