It all started a couple of weeks ago when my hubby told me about feminizing. He is a chain smoker. He is smoking for decades together. He feels his tensions eases off with one stick. Whenever I ask him to quit, he says that I don't understand how it helps him to reduce his tension....

Spice up the marriage? Crossdressing? Feminization? A loving couple's sex life begins to dwindle and the woman introduces lingerie for her man to wear, sparking their sex life once more. She thinks if a little is good and makes him happy then a lot is better, and the hot wife buys the book, "Feminizing Men - A Guide for Males to Achieve Maximum Feminization," by Barbara Deloto and Thomas Newgen. Enter a new world. The feminized husband feminizes himself for his wife as a favor to her for a week long stay-cation and they follow the guide and develop his feminine aspects. Quickly, even though he still is sure he will become a man again after the stay-cation, he looks at life very differently. In less than a week, the feminization turns their lives into something most would never reach. Cuckolding, sex toys, a transvestite-crossdressing husband, an incredible sex life for the wife and a sissy catering to everyone's needs. The hot wife's life is enhanced by the efforts of her feminized husband in ways she could only fantasize about previously. Her ex-male, now in a male chastity cage, finds ways to satisfy the woman he loves and gives his hot wife gifts she never would have imagined. What would happen if a loving couple decided to feminize the male? Would the feminized man no longer be a man? After a few short days crossdressing as a woman, and being feminized, would he be able to turn back time and become a man again, or would he become addicted to the alluring aspects of being feminized, giving him new sensations, intriguing challenges, and womanly desires to which he was previously unaware along with a new point of view on his hot wife's situation. Experience this erotic tale as you become enveloped in the story of what happened to this feminized male and his hot wife. Does she end up cuckolding the feminized male? Do they stay married and have a better life, or do they part ways? What gifts can a feminized man possibly give to a woman? Can he resist the lure of feminization, return to his old male self and try to be a real man, or is he forever destined to crossdressing as a woman and increasing his feminization until he becomes a shemale? Does he end up as a sissy and not a real man, or is he able to return to masculinity after his hot wife has introduced him to feminization and he's been immersed in the experience. A quick read to immerse you with 18,000 words and 68 pages of feminized male, hot wife, cuckold, crossdressing, sissy fiction. Start now on this highly erotic triple xxx rated, adult, crossdressing, tranny, cuckold, feminization fantasy.

Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

The idea of a submissive, sissy husband (boyfriend, fiancé, or other male half of a relationship) may sound absolutely amazing to some women. You may even be thinking that you would like to have it in your own relationship, but you have no idea where to start. Have no fear, ladies, all is not lost. Your male submissive is easier to train than you thought it ever would be. These pages will inspire, educate, and teach you how to turn your macho man into a sissy husband. Feel free to expand on these in any way you see fit. Even though this guide isn't a tell all, end all, be all guide, it is the basics that you really need to start your domination in the relationship and the beginning to teaching your man how to be your sissy submissive.

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say,

what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.

He wants to give you a gift. A very special and unselfish gift. He wants to have you brought to levels of sexual ecstasy you haven't had lately... or ever. He wants to share you with other men. Are you willing to accept his unselfish offer and in return give him the unselfish gift of helping him give you this? Can you imagine building a stable of men to use for your pleasure while he watches and serves you and your new partners? A gift that turns you into a hot wife (or hot girlfriend), the goddess he serves? How can putting him in male chastity and being his keyholder, crossdressing and feminizing him, make him more able to deliver his gift and take away his reluctance? How does male chastity work, and what can be the results? What happens when a man is feminized, and what benefits can you get from it? Would you like to have him serving you obediently, taking care of the house and pampering you, readying things for your love-making with your stable of handsome and virile men as you cuckold him? See how male chastity and feminizing your man can lead to the best sex you ever had, with your husband or boyfriend doing everything in his power to turn you into his goddess and hot wife. Enter the risky and exciting world of an entirely new type of relationship with your feminized male in chastity, who bathes you, gives you pedicures and manicures, prepares your clothing and helps you get dressed for your sexual encounters with your new boyfriends. A relationship where you are completely in control and she's loving it. Your feminized male in chastity will love the way you're cuckolding him with your hot, virile men who bring you to one pounding rapture after another while she's helping to hold you in place for them, helping them to enter you, aiding in your stimulation, getting them ready for you, cleaning up after and making you all breakfast. Spice up your bedroom. Even if you do nothing in this book, the two of you reading it together can lead to some exciting bedroom fantasies to tap into as you openly discuss the material. Whether you just become a keyholder, or take it further and feminize him, or take it all the way and let him give you the gift of other men is up to the two of you. This book can only make some points for you to discuss, consider, and even try. A quick read at approximately 10,000 words. Download your copy now.

Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

"Sex change" is a very broad term that refers to the process of a person or animal changing sex. This occurs naturally in some species of animals, but more often the term is used to mean sex reassignment surgery. The term can refer to either male sexual characteristics being substituted for female ones, or vice versa. The male to female substitution is much more common because it is by far the simpler of the two. Intersexual individuals may undergo some form of sex change, most often as children, to take on a clearly defined gender identity. In adults, the process is usually taken by transsexual individuals. Transsexuality occurs when a person's brain identifies with one gender (either male or female) but his or her body's anatomy displays the sexual characteristics of the opposite role. This is called Gender Identity Disorder and undergoing the sex change process is one way to correct this condition. This is a very large and complex topic that has been broken down into five subtopics for this e-book. In the following e-book we will survey the various procedures, not all of them medical, that can come under the heading of "sex change;" take a more in depth look at the sex change operation; cover the differences in making the transition from male to female versus female to male; and look at the topic of forced sex changes that still go on in some countries. While this is still a very controversial subject, it is becoming more and more accepted that Gender Identity Disorder is a medical birth condition that leads to confusion, depression, and frustration in individuals who are born with it. Using therapy or medical procedures to bring the body and brain back into agreement with each other often allows these individuals to lead fuller, happier lives. It is our hope that at the end of this short e-book you have a fuller understanding of this topic, and a broader knowledge base on which to build your own opinions.

Have you ever fantasized about embarking on a journey of feminization? Have you always dreamed about becoming a sissy boy, but was never sure about how to do it or what to do? If yes, then this book is exactly for you. Over the years, I have received many inquiries from sissy boys around the world about how to get started on feminization. Some wanted to know how to start. Others wanted to know the next step. Still others had no idea of what this training was all about and how it could help them get in touch with their feminine side and live the life of their dreams. This book is supposed to act as a guide for such people. It may not provide you with all the information you need on your feminization journey. But it will surely get you started. It will help you learn about feminization. It will help you realize how it can complete you as an individual. It will also provide exhaustive resources that can further help you in this journey. It will help you learn about forced feminization, about what it is, and how you can enjoy it to fulfill your own sexual fantasies.
