Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in From the Notebooks of a Middle School Princess--this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Rogue One marks not just the origination of a new Star Wars story, but an entirely new approach to Star Wars storytelling--breaking away from the Skywalker saga and exploring new heroes, new tales, and new corners of the iconic "galaxy far, far away." Featuring personal recollections and anecdotes from designers, creators, cast, and crew, at all stages of production--as well as concept art and behind-the-scenes photos--this book offers an immersive look at Rogue One's journey to the screen. From the early decision to spin stories separate from the iconic Skywalker episodes and the hiring of visionary director Gareth Edwards, to the triumphs and challenges of principal photography and the exciting innovations of Industrial Light & Magic' post-production, Rogue One Dispatches is the comprehensive oral history of this new film' production. The film is slated to release on December 16, 2016.

Find out what's going on any day of the year, anywhere across the globe! The world's datebook, Chase's is the definitive day-by-day resource of what America and the wider world are celebrating and commemorating. Founded in 1957 on a reputation for accuracy and comprehensiveness, this annual publication has become the must-have reference used by experts and professionals for more than fifty years. From celebrity birthdays to historical anniversaries, from astronomical phenomena to national awareness days, from award ceremonies and sporting events to religious festivals and carnivals, Chase's is the one-stop shop for everything that is happening now or is worth remembering from the past. The 2017 Edition of Chase's Calendar of Events brings you information about: The 500th anniversary of Martin Luther's Ninety-Five Theses The 150th anniversary of the Dominion of Canada The 100th anniversary of the Russian Revolution The 100th anniversary of splitting the atom The 50th anniversary of the Summer of Love Frank Lloyd Wright's 150th birth anniversary and much more!

The definitive guide to the LEGO® Star Wars™ universe, showcasing the vast collection of LEGO Star Wars sets and minifigures released over the last 20 years. This is a complete, unrivaled encyclopedia of the LEGO Star Wars theme. Fans will have an all-encompassing companion to the LEGO Star Wars cultural phenomenon. Produced in large format and featuring beautiful imagery, this is an indispensable guide for young fans and a stunning reference work for adults. With behind-the-scenes material, it tells the complete story of LEGO Star Wars, from the earliest concepts in the late 1990s to the creation of the most recent sets for The Force Awakens™ and Rogue One™. Created with the LEGO Star Wars team. LEGO, the LEGO logo, the Brick and Knob configurations and the Minifigure are trademarks of the LEGO Group. © 2017 The LEGO Group. Produced by Dorling Kindersley under license from the LEGO Group. © & TM 2017 Lucasfilm Ltd.

This book traces the changing representation of female characters in the Star Wars franchise through the lens of the four feminist waves, arguing that while the original trilogy reflects the second wave of feminism, the prequels mirror the girl power era that followed, and the sequels are helping define a new fourth wave of inclusion and diversity.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Read along in this first person narrative to see how Star Wars: Forces of Destiny characters choices shaped their destinies. Rebel leader Princess Leia, rogue fighter Jyn Erso, Jedi apprentice Ahsoka Tano, heroic Rey, warrior artist Sabine Wren, and Senator Padme Amidala...these are the names of six heroes that would change the galaxy. Read along in Maz Kanata's journal as she describes how each of these heroes found their hope, their courage, and their destinies. With fun musings and tangents from Maz, beautiful sketches, and 8 large gatefolds, this journal shares six of the exciting adventures that helped shape these heroes from the epic Star Wars saga.

Disruption is changing the playing field - keep your successful business on top Thriving businesses on top of their game are targets for disruption. But for savvy business owners and managers who understand the coming changes, the time to future-proof their successful companies is now. Following over a decade of research into future trends, business reinvention and disruptive innovation, author Michael McQueen presents How to Prepare Now for What's Next, a blueprint for top companies to thrive in turbulent times. McQueen brings rare insight to the topic of business disruption. The book first explores the notion of disruption itself, and confirms that the term is much more than just guru-speak. The book outlines the four primary forms of disruption that McQueen sees playing out over the next 5-10 years, and quickly moves on to the in-depth tools, tips and techniques that healthy businesses will need to stay on top. Use a simple tool to assess just how vulnerable to disruption your company is Read case studies, research and trend reports that highlight real-world examples to complement the book's concepts Understand the four forms of disruption, namely widescale automation, empowered consumers, unconventional competition and emerging generations Apply the 9 keys to future-proof your business against disruption and make it impervious to change The time to act is now for the businesses who want to keep their edge, and How to Prepare Now for What's Next is the guide to continue thriving.
