To operate as a caterer, you'll need to register your business and get licensed to sell food to the public. Here's a step-by-step guide to registering your catering company. Apply for food business registration. If you want to sell food in

Download Ebook Start Le

the UK, you need to apply for food business registration through the government website. This is free, but needs to be done at least 28 days before you plan on selling food to the public.
