Contemporary research in strategic management, with an emphasis on conceptual tools and skills created by scholars and practitioners in the field are evident throughout Strategic Management, 14e. The fourteenth edition of Strategic Management continues to increase the emphasis on planning for domestic and global competition in a global economy that is integral to strategic decision in even the smallest business or organisation on Main Street - in any town worldwide every day. It is specially designed to accommodate the needs of strategy students worldwide in our fast-changing twenty-first century.

This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.

This text includes recent research in strategy in a way that students can understand and apply to business cases and problems. Also, it offers coverage of strategy implementation, which many instructors think is critical if students are to understand the how and not just the what and why. This book also includes coverage of Michael Porter's classic 5-forces model. In this 13th edition there are two new chapters on global and e-commerce strategy, and cases that should spark student interest and generate lively classroom discussions. Many of the cases reflect high profile companies, products, and people that students will have heard of, know about from personal experience, or can easily identify with. The new case line-up features a collection of dot.com/new economy companies. Cases are further selected to highlight other critical types of business and trends, such as non-US companies, globalization, cross-cultural situations, relatively small, entrepreneurial firms, non-profit organizations and more.

The fourteenth edition of Strategic Management continues to emphasize on planning for domestic and global competition that is integral to strategic decision-making. This revised edition is specially designed to accommodate the needs of strategic management students worldwide. The unique pedagogy reflects strategic analysis and innovation at different organizational levels. Real business situations from around the world, in both large and small entrepreneurial companies, are evident in the form of 25 globally engaged cases, 57 Global Strategy in Action (NEW), 35 Strategy in Action (NEW) modules. Salient Features: - Globalization as a central theme - Focus on business ethics and corporate social responsibility - Special sections covering regulations in India such as Consumer Protection Act, Environment Protection Act, etc. - Innovation and entrepreneurship frameworks to guide strategic decisions that accelerate

Examine strategic management with the market-leading book that sets the standard as today's most intellectually rich, practical analysis of strategic

management.
