A totally revised new edition of the bestselling guide to business school basics The bestselling book that invented the "MBA in a book" category, The Portable MBA Fifth Edition is a reliable and information-packed guide to the business school curriculum and experience. For years, professionals who need MBA-level information and insight-but don't need the hassle of business school-have turned to the Portable MBA series for the very best, most up-to-date coverage of the business basics. This new revised and expanded edition continues that long tradition with practical, real-world business insight from faculty members from the prestigious Darden School at the University of Virginia. With 50 percent new material, including new chapters on such topics as emerging economies, enterprise risk management, consumer behavior, managing teams, and up-to-date career advice, this is the best Portable MBA ever. Covers all the core topics you'd learn in business school, including finance, accounting, marketing, economics, ethics, operations management, management

and leadership, and strategy. Every chapter is totally updated and seven new chapters have been added on vital business topics Includes case studies and interactive web-based examples Whether you own your own small business or work in a major corporate office, The Portable MBA gives you the comprehensive information and rich understanding of the business world that you need.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The first business plan is often the most difficult to write. A company may have little or no history, and often may not know lender requirements, what to stress and what to avoid. Your First Business Plan simplifies the process by outlining the different parts of a business plan and, in an uncomplicated question-and-answer style, helps the business owner create a winning plan for their business. The easy-to-follow chapters show entrepreneurs how to: ? Think through strategies and balance enthusiasm with facts ? Capture and hold the interest of potential lenders and investors ? Understand and develop their financial statements ? Recognize the unique selling advantage of their products or services ? Avoid potentially disastrous errors like undercapitalization and negative cash flow Also included in this book: ? A glossary of planning and financial terms ? A complete sample business plan

The number one guide to corporate valuation is back and better than ever Thoroughly revised and expanded to reflect business conditions in today's volatile global economy, Valuation, Fifth Edition continues the tradition of its bestselling predecessors by providing up-to-date insights and practical advice on how to create, manage, and measure the value of an organization. Along with all new case studies that illustrate how valuation techniques and principles are applied in real-world situations, this comprehensive guide has been updated to reflect new developments in corporate finance, changes in accounting rules, and an enhanced global perspective. Valuation, Fifth Edition is filled with expert guidance that managers at all levels, investors, and students can use to enhance their understanding of this important discipline. Contains strategies for multi-business valuation and valuation for corporate restructuring, mergers, and acquisitions Addresses how you can interpret the results of a valuation in light of a company's competitive situation Also available: a book plus CD-ROM package (978-0-470-42469-8) as well as a stand-alone CD-ROM (978-0-470-42457-7) containing an interactive valuation DCF model Valuation, Fifth Edition stands alone in this field with its reputation of quality and consistency. If you want to hone your valuation skills today and improve them for years to come, look no further than this book.
