This handbook for administrative assistants and secretaries covers such topics as telephone usage, keeping accurate records, making travel arrangements, e-mail, using the Internet, business documents, and language usage.

The new administrative assistant is a team member! Gone are the days of performing only the basic duties of typing and filing; now the assistant is a vital part of the every day business process. If you want to learn how to be exceptional and be a central part of a boss's work processes, this is the course for you. Learn the professional way to handle the basics -- calls, calendars, filing, time management, organization -- and also learn how to present yourself as a true professional -- demeanor, actions, skills, etc. Become the promotable key player you know you can be. This self-paced training course is in workbook format, and each lesson is followed with a quiz.

Completion of all quizzes with at least an 80% passing grade entitles you to the included Certificate of Completion found at the back of this workbook. This training course workbook will also serve as an excellent reference manual for you on-the-job. If you are looking for this course in an online-classroom format instead, go here: <http://www.learnopia.com/course/AdminAsst/>

Assistant, you are a leader. As an assistant, you constantly face obstacles that hold you back from accomplishing your career goals. Whether it ' s a job change, shifting deadlines, a micromanaging executive, a toxic co-worker, a high-pressure project, or an intense negotiation with a vendor, the administrative profession is not for the faint of heart. If you ' re looking to maintain the status quo and be " just an assistant, " this book is not for you. But, if you want the confidence and ability to conquer the challenges that most try to avoid, then you ' re in the right place. The Leader Assistant outlines four pillars—embody the characteristics, employ the tactics,
