Written and compiled by the Lord of Evil himself, The Adventure Time Encyclopaedia matches the playful, subversive tone of the series, detailing everything anyone will ever need to know about the postapocalyptic land of Ooo and its inhabitants—secret lore and spells, fun places you should visit and places where you will probably die, whom to marry and whom not to marry, how to make friends and how to destroy your enemies—plus handwritten marginalia by Finn, Jake, and Marceline.

Now that we are immortal (you'll get it...) we're taking our final days to let you know what a great book this is for the casual Adventure Time fan, but particularly for the hard-core fan who simply cannot get enough.
