The Isabella Rose by Mark Dawson introduces Isabella Rose, an agent of Group 15 just as her mother Beatrix Rose was before her. Nonetheless, even as she is in charge of eliminating some of the most dangerous enemies of her country, she is an unofficial employee of British Intelligence given that she

is underage.

Isabella Rose - Book Series In Order

The Agent is another entertaining read from Mark Dawson. Now in her third installment, Isabella Rose continues to develop as one of my favorite series characters. The book falls back on proven Mark Dawson formula: tight, non-stop action with little time for boring filler. The result is a tale that, intellectually, isn't that deep.

Ciudad Juárez, Mexico, is the most dangerous city in the world. And when a mission to break the local cartel's grip goes wrong, Isabella Rose, the Angel, finds herself on the wrong side of prison bars. Fearing the worst, Isabella plays her only remaining card... British agent Vivian Bloom is determined to be the first to reach her, certain she will lead him to other operatives he's under pressure to hunt down. But US agents are circling too. And with the shadowy Prometheus group pulling the strings, Isabella knows that she and her mentor, the Asset, are living on borrowed time... The Assassin is the fourth part in a continuing story involving Isabella Rose that also includes Act I: The Angel, Act II: The Asset and Act III: The Agent.

Isabella Rose, the Angel, is used to surprises, but being abducted is an unwelcome novelty. She's relying on Michael Pope, the head of the top-secret Group Fifteen, to get her back. When ISIS get involved, the situation becomes even bleaker. Isabella's abductors are in turn abducted, and she finds herself trapped in Raqqa, the capital of the self-styled caliphate. Meanwhile, Pope has problems of his own: a new danger has emerged from the shadows and is threatening both him and his family. His only option is to head for the war-torn border of Turkey and Syria--a murderous, lawless place where potential enemies lurk around every bombed-out corner. Pope knows that he is risking everything to find Isabella, but finding the Angel is not a choice--it's a necessity. The Asset is the second part in a continuing story involving Isabella Rose that started with Act I: The Angel. The story will be continued in Act III.

Beatrix Rose was the most dangerous assassin in an off-the-books government kill squad until her former boss betrayed her, her husband was gunned down, and her daughter kidnapped. A decade later, Beatrix emerges from the Hong Kong underworld with payback on her mind. It's a blood feud she didn't start but she is going to finish. There are six names on her Kill List. With one already crossed off, Beatrix sets out to find her second target, a mercenary being held hostage by Somali terrorists. Can she infiltrate the most dangerous failed state on the planet and scrub him off the List, too? Packed with explosive action and page-turning suspense, *In Cold Blood* is the first novel in Mark Dawson's bestselling Beatrix Rose series.

In 1801, a British officer discovered a clue to one of the most coveted relics in history. When Sean Wyatt rescues a friend from being executed in the mountains of Tennessee, Sean Wyatt and his sidekick, Tommy Shultz are thrown into a high octane game of cat and mouse with a wealthy Frenchman named Gerard Dufort who will stop at nothing to get his next prize. The two friends find themselves zipping across the globe to southern England, Copenhagen, Scotland, and the American Southwest in a race against the clock and a man with sinister plans of his own. This action packed story is sure to keep you turning the pages until you reach the end and send an email to the author telling him to hurry up and write the next installment.

*****WINNER OF THE 2018 MAINE LITERARY AWARD FOR SPECULATIVE FICTION***** An inventive metafictional novel, in which a drug-dealing biker must solve his own murder from beyond the grave. Thumb Rivera is in a bind. A college dropout, aspiring writer, smalltime marijuana grower, and biker club hang-around, Thumb finds himself confined to his rural ranch house in the desolate Maine countryside, helpless to do anything but watch as his former friends and housemates scheme behind his back, conspire to steal his girlfriend, and make inroads with the Blood Eagles, a dangerous biker gang. Thumb is also dead. A ghost forced to haunt his survivors and reflect back on the circumstances that led to his unsolved murder, Thumb discovers he has one channel through which he can communicate with the living world: Ben, an unemployed ghost hunter. Ben soon convinces local curmudgeon Fred Muttkowski, failed novelist turned pig farmer, to turn Ben's Ouija-board conversations with Thumb into an actual book. Thumb has two things on his mind: To solve, and then avenge, the mystery of his own violent death, and also to tell his story. That story is *American Ghost*—as told to Ben, then fictionalized by Fred. It's at once a clever tale of the afterlife, a poignant examination of the ephemeral nature of life, and a celebration of writing and the written word.

“Flawless”—James Patterson The explosive new thriller from the #1 New York Times bestselling coauthor of James Patterson’s Michael Bennett series When a Gulfstream jet goes down in the Bahamas carrying a fortune in cash and ill-gotten diamonds, expat diving instructor Michael Gannon is the only person on the scene. Assuming himself the beneficiary of a drug deal gone bad, Gannon thinks he’s home free with the sudden windfall until he realizes he forgot to ask one simple question. Who were the six dead men on the plane? Gannon soon learns the answer to that fateful question as he is thrust into an increasingly complex and deadly game of cat and mouse with a group of the world’s most powerful and dangerous men who will stop at nothing to catch him. But as the walls close in, Gannon reveals a few secrets of his own. Before he retired to the islands, Gannon had another life, one with a lethal set of skills that he must now call back to the surface if he wants to make it out alive. As a decade-long James Patterson writing partner, Michael Ledwidge is a pro at writing fast-paced, in-the-moment prose, tightly choreographed action set pieces and plot twists that drop at exactly the right moment. With this novel, he kicks off an unstoppable, gripping new thriller series. Don't miss Michael Ledwidge's upcoming novel, Run for Cover!

Daniel Tate seems to have it all: a brilliant career as a showbiz lawyer, tons of money and a beautiful actress girlfriend. Then things start to go wrong. As Daniel finds himself descending deeper into paranoia and obsession, just how far will he go to return things to the way they were.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Girls meets Fight Club in this coming-of-age novel about queer desire, religious zealotry, and the hunger for transcendence among the devoted members of a cultic chapel choir in a prestigious Maine boarding school—and the obsessively ambitious, terrifyingly charismatic girl that rules over them. When shy, sensitive Laura Stearns arrives at St. Dunstan’s Academy in Maine, she dreams that life there will

echo her favorite novel, *All Before Them*, the sole surviving piece of writing by Byronic “prep school prophet” (and St. Dunstan’s alum) Sebastian Webster, who died at nineteen, fighting in the Spanish Civil War. She soon finds the intensity she is looking for among the insular, Webster-worshipping members of the school’s chapel choir, which is presided over by the charismatic, neurotic, overachiever Virginia Strauss. Virginia is as fanatical about her newfound Christian faith as she is about the miles she runs every morning before dawn. She expects nothing short of perfection from herself—and from the members of the choir. Virginia inducts the besotted Laura into a world of transcendent music and arcane ritual, illicit cliff-diving and midnight crypt visits: a world that, like Webster’s novels, finally seems to Laura to be full of meaning. But when a new school chaplain challenges Virginia’s hold on the “family” she has created, and Virginia’s efforts to wield her power become increasingly dangerous, Laura must decide how far she will let her devotion to Virginia go. *The World Cannot Give* is a shocking meditation on the power, and danger, of wanting more from the world.
