Apple Photobook Apple Photo Book is best known for its printed copy's impressive packaging and stunning picture quality. And above, Apple offers a quality product at an extremely reasonable pricing. There is a limited range of design, color and background options available on this app, but the interface is easy to use and user-friendly.

~~8 Best Apps for Making Photo Books 2020—FlipHTML5~~

Wonderful App I have made many photo books over the years and had used Apple Books until they stopped supporting that platform. Most of the Apps I looked at to use as a replacement limited the number of pages to under 50 and I didn't like the way they made most of the decisions about placement of photos for you.
