Leaving a dying Earth behind them, the remnants of humanity head towards their new home on a distant planet. However, they never reach it, instead crash landing on a barren and hostile planet that no human was ever meant to survive on. With no water, and no hope, they must find a way to keep the human race alive in the wastelands of Icarus. Mackenzie Miller leaves behind the only life she knows to join the Diviners in their search for water, wandering directly into the greatest dangers Icarus can offer. There's more to worry about on Icarus than just dehydration. When Mackenzie learns what truly lurks in the deserts, dying of thirst is the least of her concerns.

The System is always watching... The System knows no mercy...Behind these towering metal Walls, a man loses his life when he loses his worth. The System decides your Level, the System decides your value, the System decides whether you live, and the System decides whether you die.Beyond the Walls, toxic, mountainous wildlands are crawling with Screechers. The very air one breathes can kill in an instant. But the ground beneath is teeming with energy - energy the ruling Council needs. They'll sacrifice anything... anyone... to get it.It's hell on either side of these Walls. Only the Breachers, stolen from their lives in the Levels, survive in both worlds. To save his brother from the monthly Discard, seventeen-year-old Nathan Hardline must become one.Keeping himself and his brother alive, however, isn't all Nathan has to worry about. The secretive Breaching of the Walls Department is not what it seems. The Council is plotting something, something that could end Nathan's world as he knows it. But is the truth worth his life?Is the truth worth his family?

Dive in and enjoy the DroidMesh Trilogy boxed set! Book 1: All work and no play makes an android a dull toy. The remnants of human civilization create their own utopia on an alien planet. A brilliant robotic scientist breaks the rules in an attempt to make his impaired son whole. Meshing android and human minds is considered impossible, a societal taboo, and illegal. Can the sorrow of a father, the challenge of a feat never accomplished, and the promise of normalcy for a son who has never known it motivate a man beyond his ethical boundaries? What happens when it all goes wrong? Book 2: The essence of a robotic scientist's late wife now exists in one of his sentient creations. A firmware flaw has surfaced in an overly ambitious project to mesh android and human brains. The android population on Novae Terrae now have human emotions—and human flaws. Robotics scientist Harley Harris wants a

peaceful coexistence between both groups, who share a planet that humans have escaped to during the apocalypse on Earth. The androids, led by a gynoid who schemes for Harley's heart, have their own plans. Will Harley Harris choose the android over his human love interest? Is it really love that she's after? Book 3: Hell hath no fury as an android spurned. The remnants of humanity and newly awakened, sentient androids of Novae Terrae have come to an uneasy truce. Robotics scientist Harley Harris has sorted out his relationship issues, leaving behind an angry former partner. Will the peace hold after the androids come to the artificial intelligence-driven conclusion that humans are inferior and unnecessary? Will humanity survive?

The full Faslane Files trilogy, now available as a box set. Deep beneath the bank of a Scottish loch, one hundred men, women and children are beginning a new life. An outpost for the remnants of humanity, their mission is simple: to survive in a world rendered uninhabitable by a giant asteroid. This box set comprises the complete trilogy, three full volumes of claustrophobic drama, action, and suspense. It includes the following books (the entire Faslane Files series): Volume One Six weeks after the world ended, the survivors from the cruise ship Spirit of Arcadia have installed a small contingent of skilled individuals and families in a Royal Navy bunker. More than just a backup plan for the human race, these volunteers must realise an essential goal. They are to find a way to provide food and fuel for themselves, and for the three thousand other survivors who will one day return in the ship. Brimming with hope and enthusiasm, the new community is raring to make a start. But their new home is not all it seems, and beneath them, a terrible danger is awakening. Volume Two Underground, power is everything. Light, heat, water, even air – the elements of life all depend on electricity. For the colony buried far beneath a remote patch of Scotland, an endless supply is essential. So when the power runs

out, the race is on to find more...fast! Volume Three As the Faslane community of end-of-the-world survivors enters its third month, thoughts and hopes turn towards the return of the questing fleet. But the base-dwellers' trials are not over yet. A new enemy emerges from within, threatening to destroy everything they have worked for.

Military Sci-Fi Adventure Series - The Apex Trilogy chronicles the zombie apocalypse where the dead have mechs. Dead Mech: In a Post Apocalyptic far future, there is only one thing that can save the fragile civilizations humanity has cobbled together: the mechs. A ragtag crew of mech pilots must battle the undead hordes, cannibal tribes, and religious cults in a daily race to keep humanity safe. But now a threat worse than anything has surfaced and is growing stronger. The undead have reanimated in their own battle machines and created the rise of the Dead Mechs! Dead Mech is a zombie filled, post apocalyptic, military scifi, mecha action/adventure novel like no other! Reviews: "It's mechs. It's zombies. It's zombies in mechs. You already know you're going to buy it. So just get it over with." -New York Times Bestselling Author Scott Sigler "Even if you're (Like me) kinda over zombies, go get this awesome book." -John, Goodreads review "When I started this book I was already a fan of Jake Bible, but THIS book made me an even bigger fan." - Laura, Goodreads review "Giant fighting Robots + Zombies = EPIC" - Amy, Goodreads review "Suspenseful, psychotic, and artistically profane." Mason, Goodreads review The Americans: The exciting sidequel to DEAD MECH is a hellride through Europe, Asia and beyond as American Ghost Heather Walton must save her family, her friends, and an all important cargo. The world has survived the North American zombie apocalypse, but Americans struggle to maintain their place in a world where the powers that be no longer want them. And will stop at nothing to put an end to their standing and their very existence! Reviews: "A very

different book from "Dead Mech," but you still have the great characters, non-stop action, and imaginative technologies. I finished it in 2 days (work interrupted me!) And immediately downloaded the final book in the trilogy. ” - Beth, Goodreads review “ 4+ stars. All I can really say at this point that might make sense is: what the literal fudgesicle did I just read from cover to cover practically without stopping? ” - Ziggy, Goodreads review “ Brilliant book, I have read Jake Bible's other Apex Trilogy book - Dead Mech - and thoroughly enjoyed it, and have been waiting for the next part of the trilogy. This book did not disappoint! ” - Kay, Goodreads review Metal and Ash: Will fifty foot battle mechs be enough against hundreds of thousands of techno-zombies ready to wipe everything living off the scorched map that is the wasteland? Alliances are formed and broken, mech pilots are made and murdered, secrets are revealed and agendas destroyed, and thousands of bodies fall and rise again What began in the wasteland of DEAD MECH, continued alongside in Europe and Asia in The Americans, now has its epic conclusion in Metal and Ash! Reviews- “ Wow wow wow!!!! I literally could not stop reading this book. Action packed all the way to the last page. I'm sad that it's over. ” - Amy, Goodreads review “ A great end to the Apex series. ” - Matt, Goodreads review “ To start in, this was the best of the 3 books. Hands down, I felt that as a whole, this last book was the real prize. ” - Bex, Goodreads review Keywords: zombies, mech, post-apocalyptic, mecha, wasteland, apocalypse, science fiction, undead, mecha, mechs, scifi, action/adventure, military, armor, power armor, cyberpunk, technothriller, post-apocalypse, techno-zombies Key Phrases: the walking dead, apocalyptic fiction, apocalyptic books, post-apocalypse books, zombie apocalypse weapons, mech warrior, battletech, post-apocalyptic books, post-apocalyptic fiction, post-apocalyptic collection, zombie apocalypse survival kit, zombie apocalypse books, battle machine books, military science fiction kindle books, technothriller books, military scifi books Other books by Jake Bible: By Series: Roak: Galactic Bounty Hunter Series

Narnia meets traditional Indigenous stories of the sky and constellations in an epic middle grade fantasy series from award-winning author David Robertson. Morgan and Eli, two Indigenous children forced away from their families and communities, are brought together in a foster home in Winnipeg, Manitoba. They each feel disconnected, from their culture and each other, and struggle to fit in at school and at their new home -- until they find a secret place, walled off in an unfinished attic bedroom. A portal opens to another reality, Ask í , bringing them onto frozen, barren grounds, where they meet Ochek (Fisher). The only hunter supporting his starving community, Misewa, Ochek welcomes the

human children, teaching them traditional ways to survive. But as the need for food becomes desperate, they embark on a dangerous mission. Accompanied by Arik, a sassy Squirrel they catch stealing from the trapline, they try to save Misewa before the icy grip of winter freezes everything -- including them.

Murder your sons to protect your daughters. When a sudden storm slams Katy's boat into the shore, she's forced to enter the lawless wasteland she'd avoided since the world ended. The horror she discovers amongst the ruins is far worse than she could have imagined. The masked warriors of the Venganza clan chase Katy through the post-apocalyptic landscape, forcing her to decide between her past or the survivors' future - a decision that could determine the fate of the human race.

THE FIRST LAW trilogy is a fantasy masterpiece, now available in a stunning box set. It's a perfect gift for fans of A GAME OF THRONES; a must-have for fans of Joe Abercrombie; and a great way for new readers to discover one of the most highly acclaimed fantasy trilogies of the past decade.

At last, you can get the entire trilogy in one ebook! And this box set includes EXCLUSIVE concept art of 4 main characters that you can't get anywhere else. On the 12th anniversary of his mother's disappearance, Zahn hikes to the island summit, only to be awoken by a brilliant object thundering down from the sky, impacting into the beach far below. In a frenzy, he sprints down the mountain, coming across a large crater in the silvery sand. He reaches in, pulling out a triangular plate made of a strange material, moonlight sliding off of it at strange angles. Conflicted over what to do, Zahn hides the

fragment in his room for days. Then, in the middle of the night, Zahn is awoken by a tapping at his window. He opens it, and to his shock, it ' s a man wearing a silvery uniform. There ' s more to what Zahn found on the beach than he could have ever imagined, and he ' s swept up into a galactic adventure with a cryptic captain and a living starship. Along the way, he encounters the Vakragha, a species bent on consuming entire stars. And to Zahn ' s horror, he learns that they ' re heading toward his homeworld. Only the Tulari, a stone that can heal the wounds they cut into space, offers any hope. But saving his world isn ' t all he has to worry about. Just when Zahn lands on a moon stolen by the Vakragha, he makes a breakthrough, finally learning his mother ' s true fate. Now he is faced with a heartbreaking decision that could either save his world or doom it forever. Action-packed, with a scope as ambitious as Star Wars, THE TRUTH BEYOND THE SKY will leave you energized and hungry for more. And the adventure continues with, The Island on the Edge of Forever:

When Asha accepts a mission to recover a sacred stone capable of raising the dead, she doesn't expect her ship to be shot down above a raw, untamed world.

To their shock, Asha and her commander Mira are dragged into the planet's wild ocean, and Asha barely manages to escape a vast underwater complex. Once she reaches the surface, she discovers a mysterious island that comes to life with dancing villagers and roaring bonfires every night, only to vanish without a trace each morning, leaving her feeling alone and confused. Meanwhile, Zahn has taken Oonak's ship on a mission to a subterranean labyrinth where Vayuna says he will be needed,

learning more about the Vakragha than he ever could have imagined. Yet there are greater struggles ahead for both of them. Having followed Asha, the vicious Vakragha are desperate to find the stone first, bent on using it to revive their greatest mastermind. Time is running out, and Asha must rely on her courage, intuition, and healing skills to have any hope of survival. But she soon discovers that the Vakragha aren't the only ones searching desperately for the sacred stone.... And the adventure continues with *The Mirage on the Brink of Oblivion*:

What if you could hold a memory in the palm of your hand?

In the *Mirage*, you can. Within the out-of-body state, the *Mirage* allows everyone to trade memories like souvenirs and create structures that defy physics. And now, after centuries, even the memory of the devastating Vakragha attack on their world has all but been forgotten, and most have lost touch with the physical world altogether. Jyana is different. Driven by her desire to understand the natural world, she dedicates herself to studying the sea below *Mirage City*. Yet when she finds that the coral reef is being destroyed, no one will take her seriously, not even Torin, whom she loves more than anyone. But Torin has other things on his mind. The colossal structures of the *Mirage* demand a regular supply of ambrosia, but the shortages are getting worse. In the midst of this confusion, everyone is shocked when a refugee from before the attack returns. Filled with questions, Asha has come with a secret mission which could destabilize the entire planet, causing the end of the *Mirage* itself.
