## **The Blood Never Dried: A People's History of the British**

...

INTRODUCING THE REAL BRITISH EMPIRE John Newsingers "The Blood Never Dried" might be subtitled as a "Peoples History of the British Empire" but it is nothing of the sort. What the reader will instead find is a fine piece of writing that rather than providing a linear history of the Empire, examines a number of historical episodes that starkly illuminate what under girded the Empires existence: brutality and violence.

# Acces PDF The Blood Never Dried A Peoples History Of The British Empire

The Blood Never Dried challenges the rising chorus of claims that the British Empire was a kinder, gentler force in the world of imperialism. John Newsinger sets out to uncover this neglected history of repression and resistance. To the boast that the sun never set on the British Empire' the Chartist Ernest Jones replied 'and the blood never dried.'

Anybody wishing to read something that presents a less uncritical evaluation of these ideas and an unsanitised history of some of the "achievements" that gave rise to them, could do no better than read "The Blood Never Dried". Subtitled "A People's History of the British Empire" and taking its title from Chartist radical Ernest Jones 1851 evaluation "on its colonies the sun never sets but the blood never dries", it details the global theft and fraud, violence and murder ...

...

The Blood Never Dried is essential reading for anyone interested in the connective threads between past and present, between historical narratives and current politics. It is a passionate condemnation of the violence and duplicity which forged and maintained the British Empire, and the aftermath of its racist policies in contemporary Britain.
