When Creon, king of Thebes, grants burial of one but not the "treacherous" other, Antigone defies his order, believing it her duty to bury all of her close kin. Enraged, Creon condemns her to death, and his soldiers wall her up in a tomb.

Sophocles' play, first staged in the fifth century B.C., stands as a timely exploration of the conflict between those who affirm the individual's human rights and those who must protect the state's security. During the War of the Seven Against Thebes, Antigone, the daughter of Oedipus, learns that her brothers have killed each other, having been forced onto opposing sides of the battle. When Creon, king of Thebes, grants burial of one but not the "treacherous" other, Antigone defies his order, believing it her duty to bury all of her close kin. Enraged, Creon condemns her to death, and his soldiers wall her up in a tomb. While Creon eventually agrees to Antigone's release, it is too late: She takes her own life, initiating a tragic repetition of events in her family's history. In this outstanding new translation, commissioned by Ireland's renowned Abbey Theatre to commemorate its centenary, Seamus Heaney exposes the darkness and the humanity in Sophocles' masterpiece, and inks it with his own modern and masterly touch.

In this innovative rendition of The Oresteia, the poet, translator, and essayist Anne Carson combines three different visions -- Aeschylus' Agamemnon, Sophocles' Elektra, and Euripides' Orestes, giving birth to a wholly new experience of the classic Greek triumvirate of vengeance. Carson's accomplished rendering combines elements of contemporary vernacular with the traditional structures and rhetoric of

Greek tragedy, opening up the plays to a modern audience. --from publisher description.

"Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century." –The New York Times WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019 INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family driven to pit love against loyalty, with devastating consequences Isma is free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to—or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Now there's a girl who understands things, the crow thought. When two brothers, Eteocles and Polynices, die in a vicious battle over the crown of Thebes, the new ruler, King Creon, decides that Eteocles will be buried as a hero, while Polynices will be left outside as a feast for the dogs and crows. But the young Antigone, daughter of Oedipus, will defy the cruel tyrant and attempt to give her brother the burial he deserves. This simple act of love and bravery will set in motion a terrible course of events that will reverberate across the entire kingdom... Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."

The costume design for the University of Central Florida Conservatory Theatre's production of Seamus Heaney's *The Burial at Thebes: A Version of Sophocles' Antigone* took an ancient Greek classic by Sophocles and infused it with influences from avant-garde theatre. This thesis documents the process of designing the costumes from academic, artistic, and technical aspects. Through this process, I explored how to communicate abstract ideas about humanity into actual costumes and how multiple cultural heritages can be intertwined in a united visual which pushes the audience to think more critically about the story. The recurring themes of duality are central to the final costume design: silk chiffon chitons draped over seemingly nude tattooed bodies, representing the ever-present competing allegiances to the will of the gods or to the law of man. Working backwards through the process, this thesis discusses the avant-garde aims of the production and how they were achieved in design. The historical and cultural research, and how it directly influenced the costume design, is discussed for both Seamus Heaney and *The Burial at Thebes*, as well as for Sophocles and *Antigone*. Moving through a thorough script analysis and text-to-text comparison of *Antigone* and *The Burial at Thebes* illuminates the character and situation traits that are expressed in the design. Script-to-script comparisons reveal the heightened political language Heaney has created to make a story readily accessible to modern audiences. This gives Creon more humanity, thus magnifying the conflict, which is analyzed using conflict theory.

Seamus Heaney, the great Irish poet, made a significant contribution to classical reception in modern poetry; though occasional essays have appeared in the past, this volume is the first to be wholly dedicated to this perspective on his work. Comprising literary criticism by scholars of both classical reception and contemporary literature in English, it includes contributions from critics who are also poets, as well as from theatre practitioners on their interpretations and productions of Heaney's versions of Greek drama; well-known names are joined by early-career contributors, and friends and collaborators of Heaney sit alongside those who admired him from afar. The papers focus on two main areas: Heaney's fascination with Greek drama and myth - shown primarily in his two Sophoclean versions, but also in his engagement in other poems with Hesiod, with Aeschylus' *Agamemnon*, and with myths such as that of Antaeus - and his interest in Latin poetry, primarily that of Virgil but also that of Horace; a version of an Horatian ode was famously the vehicle for Heaney's comment on the events of 11 September 2001 in 'Anything Can Happen' (District and Circle, 2006). Although a number of the contributions cover similar material, they do so from distinctively different angles: for example, Heaney's interest in Virgil is linked with the traditions of Irish poetry, his capacity as a translator, and his annotations in his own text of a standard translation, as well as being investigated in its long development over his poetic career, while his Greek dramas are considered as verbal poetry, as comments on Irish politics, and as stage-plays with concomitant issues of production and interpretation. Heaney's posthumous translation of Virgil's *Aeneid VI* (2016) comes in for considerable attention, and this will be the first volume to study this major work from several angles.
